Task 8 (or Task 1 of B2) :

Boss Letter:

Email from Archie Li to Nico Lin

File Message

Junk | Delete | Reply | Reply All | Forward | Move | Mark Unread | Follow up

To: Nico Lin
From: Archie Li
Subject: Things to do

Sent: 22nd April 2023 9:02 AM

Dear Nico,

Here are your tasks for today.

I need you to write the announcement for our website to show our support for *Teen NetChef TV* star William Puddle. His cooking video went viral recently, for all the wrong reasons: see the article from Big Cheese Celebrity Food Gossip that I've sent you. I've discussed this in a chat with William, which I'll send to you as well, so we can present his side of the story. Make sure you acknowledge and explain William's mistake, but also explain the misunderstandings that people have about the other events in the video.

Points (Content)

Part B2 (more difficult section)

Task 8 ***(19 marks)***

Task Completion = 10 marks

Item		DF page reference
8.1	**Acknowledgement:** William flooded the kitchen	3* / 5
8.2	**Explanation**: (because) he forgot to turn off the kitchen tap	5 / 7
8.3	**Explanation**: (because) he recently switched from an automatic tap to a manual one	7
8.4	**Misunderstanding:** William didn't wash his hands after chopping up raw chicken	5
8.5	**Explanation**: the parts of the video where he washed his hands had been edited out	7
8.6	**Misunderstanding**: he used the same tea towel to dry the raw chicken and his face	5
8.7	**Explanation**: He used a clean tea towel (to wipe his face)	7
8.8	all his tea towels look the same // he has 150 of the same tea towel	7
8.9	**Misunderstanding**: William was crying / upset (at the end of the video)	3* / 5
8.10	**Explanation**: He was crying because he had been chopping onions	3*

* *Information from page 3 of the Data File is from the tapescript*

Rubrics 1

Task 8: Coherence and Organisation (C) = 2 marks

Marks	Coherence and Organisation
2	• Overall coherence of text is very good. • It is clearly on topic and congruent with the subject. • Relations between main points and supporting points always clear. • Strong cohesive ties used to enhance coherence when necessary.
1	• Overall coherence of text is reasonable. • It is generally on topic and congruent with the subject. • Relations between main points and supporting points generally clear. • Cohesive ties used generally enhance coherence, although these may occasionally be fuzzy.
0	• Overall coherence of text is weak. • It is mostly off topic and not clearly congruent with the subject. • Supporting details generally not clearly related to main points. • Cohesive ties used contribute little to the coherence of the text. OR • Not enough evidence in candidate's work to be able to award '1'.

Task 8: Appropriacy (A) = 2 marks

Marks	Appropriacy
2	• Register, tone and style generally appropriate to the text through manipulation of parts of the Data File and own language. • Consistently demonstrates audience awareness.
1	• Register, tone and style reasonably appropriate to the text through some manipulation of parts of the Data File and through own language. • The tone may be inconsistent.
0	Little or no evidence of an ability to manipulate register, tone or style in order to produce an appropriate text.

Rubrics 2

Task 8: Language (L) = 5 marks

Marks	Language
5	**Data File Manipulation** Successful manipulation of phrases from the Data File to create grammatically correct sentences, achieved through a wide variety of changes made to the original texts. **Own Language** • A wide range of accurate sentence structures using own language, with an excellent grasp of more complex structures. • Grammar extremely accurate with very occasional slips. • Spelling and punctuation are mostly correct.
4	**Data File Manipulation** Generally successful in adapting phrases from the Data File to create grammatically correct sentences through some of: word formation changes, tense changes, pronoun changes etc. **Own Language** • A range of accurate sentence structures with a grasp of simple and complex sentences. • Grammar mainly accurate with occasional common errors that do not affect overall clarity. • Spelling and punctuation are mostly correct.
3	**Data File Manipulation** Sometimes successful in adapting phrases from the Data File to create grammatically correct sentences. This is done through some of: word formation changes, tense changes, pronoun changes etc. **Own Language** • A range of accurate sentence structures with some attempts to use more complex sentences. • Grammatical errors occur in more complex structures but overall clarity not affected. • Spelling and punctuation are sufficiently accurate to convey meaning.
2	**Data File Manipulation** Occasionally successful in adapting phrases from the Data File to create grammatically correct sentences, though more often errors occur due to failing to change the original texts to the requirements of his/her own text. **Own Language** • Simple sentences are generally accurately constructed. Occasional attempts are made to use more complex sentences. Structures used tend to be repetitive in nature. • Grammatical errors sometimes affect meaning. • Most common words are spelt correctly, with basic punctuation being accurate.
1	**Data File Manipulation** Writing characterised by occasional attempts to adapt language from Data File or by chunks taken *verbatim* from the Data File. **Own Language** • Short simple sentences are generally accurate. Only scattered attempts at longer, more complex sentences. • Grammatical errors often affect meaning. • Spelling of simple words is correct, more complex ones not, with basic punctuation mostly accurate.
0	**Data File Manipulation** Writing characterised by being mostly a series of chunks taken *verbatim* from the Data File. **Own Language** • Short simple sentences may be accurate. • Grammatical errors often affect meaning. • Spelling of simple words is correct, more complex ones not, with basic punctuation often faulty. OR • Not enough evidence in candidate's work to be able to award '1'.

Reference: Press Release – Against False Accusations

Press release concerning the accusations against our company's "XZ LapTop"

Lately, it has come to our attention that there have been multiple accusations against our product, "XZ LapTop". However, these accusations are, in fact, completely misleading. In this press release, we aim to clarify the allegations.

Firstly, it has been claimed that the XZ LapTop has a low battery capacity and can only last up to two hours. However, this is simply not true. As a matter of fact, the XZ LapTop is equipped with a newly designed lithium battery that typically lasts for five hours. When fully charged, the laptop can last up to ten hours. Therefore, it is entirely groundless to claim that the XZ LapTop has a low battery capacity.

Furthermore, our product has also been accused of overheating easily, with claims that it overheats after three hours of use. Again, this is a false accusation. Under normal room temperature conditions, the laptop will not overheat. This is supported by our laboratory report, which is available on our website.

Finally, it has also been reported that the XZ LapTop has a faulty keyboard and that typing is sometimes not accurately registered. However, this is not the case, as our keyboard uses an electrically conductive touchscreen system, and therefore no mechanical issues should occur. Hence, this allegation is also misleading.

Our company spares no effort in providing customers with products of excellent quality. We would like to stress once again that all of the above accusations are not factually based. Therefore, the company reserves the right to take legal action if necessary.

END

LMB Tech Buddies

Public announcement concerning the accusations against William Puddle

Teen NetChef TV supports William Puddle following the circulation of his recent cooking video. The footage shows a genuine mistake, but several other allegations arise from missing context.

William did flood the test kitchen. He forgot to turn off the tap after we had replaced an automatic tap with a manual one; he expected it to shut off by itself. He accepts responsibility for this error, and we regret the mistake.

Some viewers believe he handled raw chicken and then continued preparing food without washing his hands. In fact, he washed them; the footage of that step was removed when the lengthy video was edited. Others believe he used the same tea towel to dry the raw chicken and wipe his face. He used a clean towel to wipe his face. Because he owns 150 towels of the same kind, the two looked alike on screen.

Finally, some viewers thought William was crying because he was upset. His eyes were watering because he had been chopping onions. We ask viewers to distinguish the admitted flooding from these misunderstandings and to judge William on the full facts. We remain committed to safe food preparation and stand by him.

Task 9 (Or Task 2 of B2):

I also need you to write an email to all staff to recommend training courses for the coming year. Dante Cruz's most recent email sets the scene for this, so take a look at that first. All the available courses have been posted on our Corporate Training Intranet page, along with reviews from previous participants. Three courses will be enough: briefly describe the three courses staff should sign up for (I think it's pretty clear which three stand out) and explain how their work will benefit from each one.

Task 9 ***(17 marks)***

Task Completion = 8 marks

Item		DF page reference
9.1	**Recommend:** Hazard Awareness (by Pinafore Solutions – a fire and kitchen safety course)	3* / 8 / 9
9.2	will teach you all the tricks of the trade to keep everyone safe / how to use a fire extinguisher and keep fire exits clear	9
9.3	**Recommend:** The Chef's Special (by The Grill Gurus – a food hygiene safety course)	9
9.4	will teach you how to avoid cross-contamination and about safe cooking temperatures // includes great tips on how to have a food-safe kitchen	9 / 10
9.5	**Recommend**: Be your best! (by PR Productions – a social media training course)	3* / 8 / 9
9.6	will help you communicate / in saying only what you mean and meaning what you say // will teach you how to behave properly online / avoid people misinterpreting what you say / avoid offending people	3* / 9 / 10
	Benefits	
9.7	each training course counts as credit towards your Annual Review Targets / ARTs (which will look really good on an appraisal)	8
9.8	the first ten people who complete all three courses get a day of leave / day off work	3*

* *Information from page 3 of the Data File is from the tapescript*

Task 9: Language (L) = 5 marks

Marks	Language
5	**Data File Manipulation** Successful manipulation of phrases from the Data File to create grammatically correct sentences. Achieved through a wide variety of changes made to the original texts. **Own Language** • A wide range of accurate sentence structures using own language, with an excellent grasp of more complex structures. • Grammar extremely accurate with very occasional slips. • Spelling and punctuation are mostly correct.
4	**Data File Manipulation** Generally successful in adapting phrases from the Data File to create grammatically correct sentences through some of: word formation changes, tense changes, pronoun changes etc. **Own Language** • A range of accurate sentence structures with a grasp of simple and complex sentences. • Grammar mainly accurate with occasional common errors that do not affect overall clarity. • Spelling and punctuation are mostly correct.
3	**Data File Manipulation** Sometimes successful in adapting phrases from the Data File to create grammatically correct sentences. This is done through some of: word formation changes, tense changes, pronoun changes etc. **Own Language** • A range of accurate sentence structures with some attempts to use more complex sentences. • Grammatical errors occur in more complex structures but overall clarity not affected. • Spelling and punctuation are sufficiently accurate to convey meaning.
2	**Data File Manipulation** Occasionally successful in adapting phrases from the Data File to create grammatically correct sentences, though more often errors occur due to failing to change the original texts to the requirements of his/her own text. **Own Language** • Simple sentences are generally accurately constructed. Occasional attempts are made to use more complex sentences. Structures used tend to be repetitive in nature. • Grammatical errors sometimes affect meaning. • Most common words are spelt correctly, with basic punctuation being accurate.
1	**Data File Manipulation** Writing characterised by occasional attempts to adapt language from the Data File or by chunks taken *verbatim* from the Data File. **Own Language** • Short simple sentences are generally accurate. Only scattered attempts at longer, more complex sentences. • Grammatical errors often affect meaning. • Spelling of simple words is correct, more complex ones not, with basic punctuation mostly accurate.
0	**Data File Manipulation** Writing characterised by being mostly a series of chunks taken verbatim from the Data File. **Own Language** • Short simple sentences may be accurate. • Grammatical errors often affect meaning. • Spelling of simple words is correct, more complex ones not, with basic punctuation often faulty. OR • Not enough evidence in candidate's work to be able to award '1'.

Task 9: Coherence and Organisation (C) = 2 marks

Marks	Coherence and Organisation
2	• Overall coherence of text is very good. • It is clearly on topic and relevant throughout. • Relations between main points and supporting points always clear. • Strong cohesive ties used to enhance coherence when necessary.
1	• Overall coherence of text is reasonable. • It is generally on topic and relevant. • Relations between main points and supporting points generally clear. • Cohesive ties used generally enhance coherence, although these may occasionally be fuzzy.
0	• Overall coherence of text is weak. • It is mostly off topic and not clearly relevant. • Supporting details generally not clearly related to main points. • Cohesive ties used contribute little to the coherence of the text. OR • Not enough evidence in candidate's work to be able to award '1'.

Task 9: Appropriacy (A) = 2 marks

Marks	Appropriacy
2	• Register, tone and style generally appropriate to the text through manipulation of parts of the Data File and own language. • Consistently demonstrates audience awareness.
1	• Register, tone and style reasonably appropriate to the text through some manipulation of parts of the Data File and through own language. • The tone may be inconsistent.
0	Little or no evidence of an ability to manipulate register, tone or style in order to produce an appropriate text.

Dear all,

I recommend three courses for the coming year to strengthen our safety and communication at work.

Hazard Awareness, a fire and kitchen safety course from Pinafore Solutions, teaches us to use a fire extinguisher and keep fire exits clear. These practical skills will help us respond safely to hazards.

The Chef's Special from The Grill Gurus is our food hygiene choice. Its HAB-approved instructors cover avoiding cross-contamination, safe cooking temperatures and tips for a food-safe kitchen. We can apply these practices in our work.

Be Your Best! from PR Productions focuses on social media. It will help us communicate clearly online so our messages are less likely to be misunderstood or cause offence.

Each course counts as credit towards your Annual Review Targets. The first ten staff members who complete all three courses will receive an extra day off. Please sign up for the courses.

Regards,
Nico Lin

Task 10 (or Task 3 of B2)

Next, please write the script for the promotional video for our new cookery show *Viewer's Choice*. I've sent you a draft of the storyboard for the video, along with comments from Dante, so you know what to write about. Be careful, though: we've made several changes since that draft. Make sure you have the most up-to-date information in your script. I remember both William and Dante giving some updates recently.

Content:

Task 10 ***(17 marks)***

Task Completion = 8 marks

Item		DF page reference
10.1	Viewers' Choice (is groundbreaking because it) is (fully) interactive and (totally) live	3*
10.2	it stars William Puddle	6 / 7
10.3	the co-star is Mary Steward (the Queen of TV cooking)	6 / 7 / 8
10.4	viewers / the audience vote for the ingredients (to be used as the meal is cooked)	3* / 6
10.5	in Episode 1, the choice is between apple or blueberry filling for a fruit pie	6 / 8
10.6	viewers can vote for free through the *Teen NetChef TV* app	6 / 7
10.7	one voter will win The Big Prize, which is the finished dish	6
10.8	The Big Prize will be delivered using a drone by *FlyingFood*	6 / 8

Viewer's Choice: A New Way to Enjoy Live Cooking

TITLE CARD: VIEWER'S CHOICE

VOICEOVER: Meet Viewer's Choice, the fully interactive, totally live cookery show starring William Puddle and his co-star Mary Steward, the Queen of TV cooking. While William cooks, you vote for the ingredients he uses. Your vote is part of the action, with each decision made as the meal unfolds.

EPISODE 1 CARD: Fruit Pie

VOICEOVER: In Episode 1, choose apple or blueberry filling for a fruit pie. Vote for free through the Teen NetChef TV app and watch your choice shape the meal live.

PRIZE CARD

VOICEOVER: One lucky voter wins The Big Prize: the finished dish. FlyingFood will deliver it by drone straight to the winner's door. Viewer's Choice - the show you help create. Watch and vote!

6 類標記每段資料：

- 類型**1**：**Task 1** 直接可用
- 類型**2**：**Task 2** 直接可用
- 類型**3**：**Task 3** 直接可用
- 類型**4**：語義相關／可轉述資訊
- 類型**5**：提示／指路／篩選線索
- 類型**6**：無關噪音／版面行政字樣／宣傳口號

先用 **boss letter** 定出三個任務

Task 1：寫網站公告，支持 William Puddle。
重點: 承認他真的犯了哪一個錯，再澄清其他被誤會的部分

Task 2：寫給全體員工的電郵，推薦來年 training courses。
重點: 所有課程中選 **3** 個最值得報讀的，再解釋對工作有甚麼幫助

Task 3：替新節目 **Viewer's Choice** 寫宣傳片 script。
重點：**storyboard** 已經過時，後來有更新，所以要把最新版本拼。

"You are Nico Lin. / You work at the internet TV company Teen NetChef TV that makes streaming TV shows in Hong Kong. / You assist Mr Archie Li, the Marketing Manager for Teen NetChef TV."

[你是 Nico Lin。／你在香港的網絡電視公司 Teen NetChef TV 工作。／你是市場經理 Archie Li 的助手。]

- 類型：5 提示
- 分析：
  - 這幾句沒有提供三項寫作任務的內容點。
  - 它們定下寫作者身分：Nico Lin 是 Teen NetChef TV 員工，也是 Archie Li 的助手。
  - 網站公告、全員電郵和宣傳片講稿都以這個公司員工身分撰寫。
  - 因此這段用來定角色、語氣和公司立場。

2

"You will listen to a recording of an online staff meeting between the show producer Ms Winnie Tang, the Director of Teen NetChef TV Mr Dante Cruz, and Archie Li. Take notes under the appropriate headings."

[你將聆聽一段網上員工會議錄音，參與者包括節目監製 Winnie Tang、Teen NetChef TV 總監 Dante Cruz，以及 Archie Li。請在適當標題下做筆記。]

- 類型：5 提示
- 分析：
  - 不是答案內容。
  - 會議錄音裡會有額外資料，而且會分主題出現。
  - 也就是說，之後錄音裡有些內容是給 Task 1，有些是給 Task 2，有些是給 Task 3，不是全部都要寫進同一篇。

3

"Complete the tasks by following the instructions in the Question-Answer Book and on the recording. / You will find all the information you need in the Question-Answer Book, the Data File and on the recording. / As you listen you can make notes on page 3 of the Data File."

[請按照答題簿和錄音中的指示完成任務。／你需要的資料都會在答題簿、Data File 和錄音中找到。／聆聽時可在 Data File 第3頁做筆記。]

- 類型：5 提示
- 分析：
  - ○ 題目、Data File 和會議錄音各有資料；按指示把所需內容找齊。
  - ○ 這句沒有可直接寫進三篇答案的事實。聆聽時可先記在 Data File 第 3 頁，再按任務整理。

Listening note-taking sheet。

1

"William Puddle's viral video"
[William Puddle 的爆紅影片]

- 類型：**5** 提示
- 分析：
  - 這不是 Task 1 的答案本身。
  - 錄音中會有一段是關於 William 影片爭議
  - 所以它是去 錄音檔 裡找 **Task 1** 補充資料的路標。

2

"Golden Sun Tower Private Kitchen complaints"
[Golden Sun Tower 私房廚房投訴]

- 類型：**5** 提示
- 分析：
  - 單看這一句，不知道最後要寫甚麼。
  - 但會帶去 錄音檔 裡「fire / safety / complaint / staff didn't know what to do」那一段
  - 那段正好是 Task 2 為甚麼要推 fire-safety course 的背景。

3

"New show: Viewer's Choice"
[新節目 : Viewer's Choice]

- 類型 : **5** 提示
- 分析 :
  - 不是宣傳片 script 本身。
  - 告訴 **錄音檔** 後半會有關於新節目的更新。
  - 所以它是 **Task 3** 的定位標籤

4

"Live, Study, Cook / Filming schedule / Kinds of food in the competition"
[Live, Study, Cook／拍攝時間表／比賽食物種類]

- 類型 : **6** 無關噪音
- 分析 :
  - 這幾個主題在 **錄音檔** 裡確實出現。
  - 但 boss letter 三個任務裡, 沒有一題要求你寫 Live, Study, Cook 的檔期或比賽食物。
  - 所以它們是錄音中的干擾段落。

Archie 的 boss letter

"I need you to write the announcement for our website to show our support for Teen NetChef TV star William Puddle. His cooking video went viral recently, for all the wrong reasons: see the article from Big Cheese Celebrity Food Gossip that I've sent you. I've discussed this in a chat with William, which I'll send to you as well, so we can present his side of the story. Make sure you acknowledge and explain William's mistake, but also explain the misunderstandings that people have about the other events in the video."

[我需要你為公司網站寫一則公告，表達我們對 Teen NetChef TV 明星 William Puddle 的支持。他的煮食影片最近因為負面原因而爆紅：請看我傳給你的八卦文章。我也跟 William 談過，我會把那段對話傳給你，這樣我們就可以呈現他的版本。記得要承認並解釋 William 的錯誤，但同時也要解釋大家對影片中其他事件的誤會。]

- 類型：**5** 提示
- 分析：
    - **Task 1** 的命題要求
    - Task 1 的邏輯：
        1. 不是全部否認，因為這裡明講有一個真錯誤；
        2. 也不是全部承認，因為這裡同時明講其他事件是 misunderstanding；
        3. 你必須把 **article** 和 **chat** 對讀，因為一個給公眾指控，一個給 William 的澄清。
    - 所以這段的功能是定 **Task 1** 的篩料原則。

2

"I also need you to write an email to all staff to recommend training courses for the coming year. Dante Cruz's most recent email sets the scene for this, so take a look at that first. All the available courses have been posted on our Corporate Training Intranet page, along with reviews from previous participants. Three courses will be enough: briefly describe the three courses staff should sign up for (I think it's pretty clear which three stand out) and explain how their work will benefit from each one."
[我還需要你寫一封電郵給全體員工，推薦來年的培訓課程。Dante Cruz 最近那封電郵為這件事定了背景，所以先看那封。所有可報讀的課程都放在公司培訓內聯網頁上，還附有以往參加者評語。三個課程就夠了：簡單介紹員工應該報讀的三個課程（我想很明顯哪三個最突出），並解釋每一個如何幫助他們的工作。]

- 類型：**5** 提示
- 分析：
    - **Task 2** 的命題要求
    - 重點有三個：
        1. 先看 **Dante email**，即是它是選課標準的起點；
        2. 要用 **intranet + reviews** 來比較課程；
        3. 只選 三個 **stand out**，所以不是把所有課程都平排介紹，要做篩選。
    - 這句 "I think it's pretty clear which three stand out" 也暗示：卷中一定有一些課程只是陪跑、用來淘汰

"Next, please write the script for the promotional video for our new cookery show Viewer's Choice. I've sent you a draft of the storyboard for the video, along with comments from Dante, so you know what to write about. Be careful, though: we've made several changes since that draft. Make sure you have the most up-to-date information in your script. I remember both William and Dante giving some updates recently."

[接着，請為我們的新煮食節目 Viewer's Choice 寫宣傳片腳本。我已把宣傳片的分鏡草稿和 Dante 的評語都傳給你，讓你知道要寫甚麼。不過小心：那份草稿之後我們已經作了幾次修改。你的腳本一定要用最新資料。我記得 William 和 Dante 最近都提供過一些更新。]

- 類型：**5** 提示
- 分析：
  - **Task 3** 解題警告。
  - 它清楚講明：**storyboard** 不是最後版本。
  - 所以凡是 storyboard 上的內容，都不能直接相信，必須再問：
    - 有沒有被 William 的 chat 更新？
    - 有沒有被 Dante 的 email 更新？
    - **錄音檔**有沒有再補充？
  - 這會直接影響至少兩個地方：
    - **mystery guest → Mary Steward co-star**
    - **voting hotline → Teen NetChef TV app**

"Finally, we discussed all of the above at the most recent online staff meeting. I've sent you the recording (I'm still working on the minutes). Listen to our discussion."

[最後，我們在最近一次網上員工會議裡討論了以上所有事情。我已把錄音傳給你（會議紀錄我還在整理）。請聽我們的討論。]

- 類型：5 提示
- 分析：
  - 這句的作用是說：三題都可能在錄音裡有補充或更新。
  - 所以會議錄音是跨三題的更新來源。

Big Cheese Celebrity Food Gossip article

1

"Puddle Starts a Flood! / William Puddle's disastrous cooking video goes viral / Teen NetChef TV star's latest video did not go swimmingly / Can his career survive the soaking?"
[「Puddle 引發水災！」／「William Puddle 的災難煮食影片瘋傳」／「Teen NetChef TV 明星的最新影片表現失手」／「他的事業能否撐過這場風波？」]

- 類型：**5** 提示 + **6** 噪音
- 分析：
  - 這些標題有兩層作用：
    - 有用的一層：它們告訴你社會輿論的主軸是 flood / disaster / scandal，所以 Task 1 的公告一定要回應這場公關風波；
    - 沒用的一層：它們是 tabloid 式誇張語氣，不能直接搬進公司網站公告。
  - 所以它們是背景線索，不是可直接套用的正文句。

2

"Viewers expressed shock on Monday at the disasters that befell celebrity chef William Puddle in the Teen NetChef TV test kitchen. The video, showing a series of calamitous mistakes, quickly went viral after appearing on Puddle's social media accounts."

[觀眾在星期一對 William Puddle 在 Teen NetChef TV 試驗廚房遇到的一連串事故感到震驚。這段展示一連串嚴重失誤的影片，在 Puddle 的社交平台上載後迅速爆紅。]

- 類型：**5** 提示
- 分析：
  - 交代輿論背景。
  - 說明 Task 1 為甚麼要寫公告：因為事情已經 viral。
  - 但沒有分清哪些是真的 **mistake**、哪些是被誤解，所以只是背景，不是最後要用的精準內容點。

3

"The video opens with Puddle seemingly flooding his kitchen without realising it! After turning on the kitchen tap to wash some potatoes, Puddle turns to the camera to talk about the science of cutting onions, with the sink rapidly filling up behind him. / After about thirty seconds, Puddle finally realises his big mistake. The floor is flooded and Puddle is even seen apparently slipping in the mess as he reaches for the tap."

［影片開始時，Puddle 看似在未察覺下把廚房弄至水浸。他開水龍頭洗薯仔後，轉身對鏡頭談切洋蔥的科學，身後水槽迅速注滿。約三十秒後，他終於發現自己犯了大錯：地面已經水浸；他走去關水時，看來在濕滑地面上滑倒。］

- 類型：**1 Task 1** 直接可用
- 分析：
  - 這裡講的是 **flood** 事件本身。
  - 根據 boss letter，Task 1 要「acknowledge and explain William's mistake」。
  - 這段指出那個真錯誤是甚麼：他真的讓廚房水浸了。
  - 之後 chat 再補出原因：忘記關 **manual tap**。
  - 所以這一段是 Task 1 的承認部分，不是誤會部分。

4

"Puddle's poor performance didn't end there: viewers noticed that after turning off the tap and cleaning up the floor, Puddle chops up some raw chicken. He then starts slicing up the other ingredients without washing his hands."
[問題還未完:觀眾留意到他關了水龍頭並清理地面後, 切了生雞肉, 之後沒有洗手就開始切其他食材。]

- 類型:**1 Task 1** 直接可用
- 分析:
  - 這段是 Task 1 必須處理的第二個指控。
  - 它在 article 中被寫成事實, 但 chat 會推翻:他有清潔, 只是那些片段被剪掉了。
  - 所以這段在 Task 1 點出公眾誤會的內容。

5

"Experts agree that these shocking safety mistakes set a terrible example to other chefs, especially younger fans. / 'This is irresponsible behaviour from a TV Chef,' said Sam Cooke..."

[專家同意這些令人震驚的安全錯誤，對其他廚師、尤其年輕粉絲，樹立了很差榜樣。／Sam Cooke 說：「這是電視廚師不負責任的行為。」]

- 類型：**5** 提示
- 分析：
  - 這些句子不是 Task 1 最終要寫進公告的點。
  - 作用：公眾批評的力度很強。
  - 所以公告的語氣不能太輕鬆，必須較認真、要有回應性
  - 但因為這是 rival show 的人說的，而且語氣帶攻擊性，所以不能原樣照搬。

6

"Perhaps realising his downfall, Puddle even appears to be crying towards the end of the video. He starts wiping his face with a tea towel, the same one he used to dry the raw chicken."

［似乎意識到自己大勢已去，Puddle 在影片尾段甚至像在哭。他開始用茶巾抹面；文章聲稱那是他用來抹乾生雞肉的同一條茶巾。］

- 類型：1 Task 1 直接可用
- 分析：
  - 這一段包含兩個要澄清的誤會：
    - 他看來在哭；
    - 文章聲稱他用了同一條茶巾。
  - 後面 chat 和錄音會分別澄清：
    - 他眼睛泛淚是因為切洋蔥；
    - 擦面的是乾淨茶巾；他有 150 條一樣的茶巾。
  - 所以這段是 Task 1 很核心的誤會清單來源。

7

"'His eyes were clearly watering in the video. Someone should not be around dangerous cooking appliances and sharp knives if they can't control their emotions,' said Cooke."

[Cooke 說：「他在影片裡雙眼明顯泛淚。若一個人不能控制情緒，就不應該靠近危險的烹飪器具和利刀。」]

- 類型：**5** 提示
- 分析：
  - 這句不是你最終要寫的內容。
  - 但它幫你看出「crying」這個誤會被外界如何解讀：被升級成情緒失控。
  - 這會提醒你在 Task 1 內，澄清時最好不要只寫 "he was crying because of onions"，要寫得更完整：**he was not upset; he was chopping onions**。

8

"Neither Puddle, nor the director of Teen NetChef TV, Mr Dante Cruz, could be reached for comment. / With rumours of a new show coming soon, Puddle is surely in hot water after this latest fiasco!"

[無論是 Puddle 還是 Teen NetChef TV 總監 Dante Cruz，都未能聯絡回應。／隨着有傳新節目即將推出，Puddle 在這次風波後肯定陷入麻煩。]

- 類型：5 提示 + 6 噪音
- 分析：
  - ○ 前句說 Puddle 和 Dante 未能聯絡回應；這解釋公司為何需要發公告。
  - ○ 後句把新節目寫成傳聞，並誇張推測 William 的處境。後來資料才確認 Viewer's Choice 的安排。
  - ○ 前半可作 Task 1 背景；後半不要搬進三項寫作答案。

Storyboard draft。

1

"A little unclear — just explain who chooses what."
[「有點不清楚——只要解釋清楚由誰選甚麼。」]

- 類型：**5** 提示
- 分析：
  - 這是 Dante 的修改方向。
  - 它直接告訴你：Task 3 其中一個核心，是要講清楚 **viewers choose what**。
  - 之後 錄音檔 補出：**viewers choose the ingredients**。

"1. Introduce the show / - Viewer's Choice / - Ground-breaking TV! / Not good enough: we need to say why it's ground-breaking!"

[「1. 介紹節目／Viewer's Choice／突破性電視！／還不夠好：我們要說明它為甚麼突破性！」]

- 類型：**3 Task 3** 直接可用 + **5** 提示
- 分析：
  - "Viewer's Choice" 當然是 Task 3 直接可用。
  - "Ground-breaking TV!" 也是可用方向，但未完成。
  - 真正重要的是旁邊評語：它提醒你不能只說節目很厲害，必須說出具體原因。
  - 後面 錄音檔 會補出答案：**it is fully interactive and totally live**。

"2. Introduce the star(s) / Our regular chef, plus one mystery guest each week"

[「2. 介紹明星／我們的常規主廚, 加上每週一位神秘嘉賓。」]

- 類型：**5** 提示（但已過時）
- 分析：
  - 這段和 Task 3 有關，但不能直接用。
  - 因為 boss letter 已提醒 storyboard 過時，而 William 的 chat 又明講：
    - **forget the mystery guest idea**
    - 改成 **Mary Steward as co-star**
  - 所以它的價值不在於答案本身，而在於提示你：這裡是更新點。

"3. The choices"

[「3. 選擇」]

- 類型：5 提示（選擇環節）
- 分析：
  - 這個 panel 指出節目設有「選擇」環節，但單靠標題還未說明由誰選、選甚麼。
  - 錄音補出觀眾選食材；Dante 的 email 再補出第一集選蘋果或藍莓餡料。
  - 寫講稿時交代完整機制，不只寫 “The choices”。

"4. Episode 1 / Episode 1 is called 'Fruit Pie' / We can include what the main choice will be in Episode 1."

[「4. 第1集／第1集名為『Fruit Pie』／我們可以加入第1集的主要選項。」]

- 類型：**3 Task 3** 直接可用 + **5** 提示
- 分析：
  - "Fruit Pie" 是 Task 3 直接可用。
  - 旁邊 comment 是提示你：還要再找出主要選項是甚麼。
  - Dante 的 email 之後補出：**apple or blueberry filling**。

6

"5. Audience voting / The voting hotline number will be on the screen in each episode."

[「5. 觀眾投票／每集畫面都會顯示投票熱線號碼。」]

- 類型：3 Task 3 可用 + 5 舊版線索
- 分析：
  - 觀眾投票這個環節仍然有效。
  - William 和 Archie 的 chat 已取消 voting hotline，改用 Teen NetChef TV app 免費投票。
  - 講稿保留投票，並改寫為 “vote for free through the Teen NetChef TV app”。

7

"6. The finished dish"
[「6. 完成的菜式」]

- 類型：5 提示（流程標題）
- 分析：
  - “The finished dish”指出節目會展示完成菜式；單看標題，仍未交代獎品屬誰。
  - 連同下一格的“one lucky voter”合讀，便可寫出：一名投票者贏得完成菜式。

"7. The Big Prize / One lucky voter: / Message: You've won!"
[「7. 大獎／一位幸運投票者：／訊息：你贏了！」]

- 類型：**3 Task 3** 直接可用
- 分析：
  - 後來的更新沒有取消「幸運投票者」這部分。
  - 所以這一格仍然有效。
  - Task 3 可直接轉化成：**one lucky voter will win the finished dish / Big Prize**。

"8. Delivery of the Big Prize / The finished dish => straight to your door! / Check which delivery company — some exciting news on this soon!"
[「8. 大獎送遞／完成的菜式直送你家門！／查一查是哪間送遞公司——這方面很快會有 exciting news！」]

- 類型：**3 Task 3** 直接可用 + **5** 提示
- 分析：
  - 送菜到家這個概念本身仍然有效。
  - 但 company 還未填，所以這是待更新空格。
  - Dante 的 email 補出最終答案：**FlyingFood using a drone**。

與 **Archie** 的 **chat**。

1

"Archie: What were you thinking? Was this some kind of a joke? How did you flood the kitchen? / William: I'm so sorry! This was my mistake. I forgot to turn off the tap! We've just switched from an automatic tap to a manual one and I forgot it wouldn't turn off by itself!"

[Archie：你當時在想甚麼？這是玩笑嗎？你怎會把廚房弄到水浸？／William：對不起！這確實是我的錯。我忘了關水龍頭！我們剛由自動水龍頭改成手動，我忘了它不會自己關掉！]

- 類型：**1 Task 1** 直接可用
- 分析：
  - 這組對話是 Task 1 的核心真相。
  - 它精準回答兩件事：
    1. 真正錯誤是甚麼：**he forgot to turn off the tap**；
    2. 為甚麼發生：**automatic tap recently switched to manual one**。
  - 這正好補齊 article 只講現象、不講原因的缺口。

2

"William: I thought everyone would see the funny side! What did Dante say? Am I still the star of Viewer's Choice?"

[William：我以為大家會覺得好笑！Dante 怎麼說？我還是 Viewer's Choice 的主角嗎？]

- 類型：**5** 提示
- 分析：
  - 前半句不是 Task 1 重點，因為公司公告不會用「我以為大家會覺得好笑」來當主要 defence。
  - 後半句則是 Task 3 的過渡提示：**William** 的事件會影響新節目。
  - 所以它主要是情境連接句，不是正文核心。

3

"Archie: We'll get to that in a moment. First, tell me what happened with the raw chicken. / William: I swear it's not what it looks like! I was so careful — I always am. I had to edit the video because it was too long — I cut out the parts where I cleaned everything!"

[Archie：我們等一下再說。先告訴我生雞肉那件事。／William：事情不是看起來那樣！我很小心——我一向都很小心。因為影片太長，我剪掉了我把一切都清潔乾淨的部分！]

- 類型：1 Task 1 直接可用
- 分析：
  - 這段回應 article 指 William 處理生雞肉後沒有洗手的指控。
  - William 說影片太長，清潔片段因而被剪走；他的原話是 "I cut out the parts where I cleaned everything!"。
  - 官方內容分點確認洗手畫面被剪走。公告可寫明：William 有洗手，相關畫面在剪輯時被刪去。
  - 這樣便交代了觀眾產生誤會的原因，也回應了食物安全疑慮。

4

"Archie: And the tea towel? Can you explain that? / William: Honestly, I used a clean one! It just looks like I didn't because I have 150 of the same kind! Don't you remember? I showed them in my kitchen tour video."

[Archie：那茶巾呢？你能解釋嗎？／William：老實說，我用的是乾淨那條！只是看起來像不是，因為我有 150 條一模一樣的！你不記得嗎？我在廚房導覽影片裡展示過。]

- 類型：**1 Task 1** 直接可用
- 分析：
  - 這裡直接澄清了第三項指控。
  - 真正可用的點有兩個：
    1. **he used a clean tea towel**
    2. **all the tea towels look the same / he has 150 of the same kind**
  - "kitchen tour video" 本身不是最終公告要寫的重點，因為公眾未必看過；它只是解釋 Archie 為何知道這件事。

5

"Archie: Yes, but only your fans know about your other videos, not everybody! All right. Now that we've figured out what really happened I'll get Nico to show our support on the website."

[Archie：對，但只有你的粉絲知道你其他影片的內容，不是每個人都知道！好吧，既然我們已弄清楚實際情況，我會叫 Nico 在網站上表達我們的支持。]

- 類型：**5** 提示
- 分析：
  - 這句不是公告內容。
  - 但它非常重要，因為它講出 Task 1 的寫作理由：
    - 公眾不知道完整背景；
    - 所以公司要主動補充背景。
  - 這句也告訴你：Task 1 的定位是 **supportive clarification**，不是冷冰冰的事故報告。

6

"William: Thank you so much! Now let me pay you back: I have some news about the new show that I think might cheer up Dante. / Archie: Go on. / William: So, we planned to have a different mystery guest each week, right? Well, Mary Steward just called. She says she supports me, she wants to help and she wants to be my co-star! / Archie: Mary Steward? The Queen of TV Cooking? As a co-star?! Well, she just might be able to save you! OK, let's go with her as the co-star and forget the mystery guest idea. If she confirms soon, we absolutely must include this in the promotion video."

[William：謝謝你！現在讓我回報你：我有一些關於新節目的消息，我想 Dante 聽了會開心。／Archie：說吧。／William：原本我們不是打算每週有一位不同的神秘嘉賓嗎？Mary Steward 剛剛打電話來。她說支持我、想幫我，還想做我的搭檔！／Archie：Mary Steward？電視煮食女王？做搭檔？！她可能真的能救你！好，我們就用她做 co-star，放棄 mystery guest 概念。如果她很快確認，我們一定要把這件事寫進宣傳片。]

- 類型：3 Task 3 直接可用
- 分析：
  - 這一段是 Task 3 的關鍵更新。
  - 原 storyboard 設定：每集有一位不同的 mystery guest。
  - William 在聊天中說 Mary Steward 想擔任 co-star；Archie 同意改動，並表示確認後要把她寫進宣傳片。
  - 此時仍待 Mary 正式確認；Dante 後來的 email 已確認她參演。
  - 寫 Task 3 講稿時，介紹 Mary 是 William 的 co-star，刪去「每集神秘嘉賓」的舊設定。

"William: Agreed. Thanks, Archie! That should get the voting hotline ringing!!! / Archie: Did nobody tell you? We decided that viewers will be able to vote for free through the Teen NetChef TV app. We've cancelled the voting hotline. / William: Oh, I see. Good decision!"
[William：同意。謝謝你，Archie！那一定會令投票熱線響個不停！！！／Archie：沒有人告訴你嗎？我們決定讓觀眾透過 Teen NetChef TV app 免費投票。我們已取消投票熱線。／William：噢，明白了。是個好決定！]

- 類型：**3 Task 3** 直接可用
- 分析：
  - 這裡同時出現舊資料和新資料。
  - 舊資料是 William 口中的 **voting hotline**。
  - 新資料是 Archie 的更正：
    - **vote for free**
    - **through the Teen NetChef TV app**
    - **hotline cancelled**
  - 因為 Archie 這句是更正句，所以 Task 3 一定要採用 Archie 的版本。

Dante 給全體員工的 weekly email。

1

"Great to hear that you're all working hard to make our dreams for the new series of Live, Study, Cook a reality. Here are the latest initiatives to make sure that we all keep on track and strive to achieve:"

[很高興聽到大家正努力把新一季 Live, Study, Cook 變成現實。以下是最新措施，確保我們繼續達標。]

- 類型：**5** 提示 + **6** 噪音
- 分析：
  - 這是 email 開場。
  - "Live, Study, Cook" 本身對三個寫作任務不直接有用，所以屬背景多於內容。

2

"1. Special training / Those of you who listened to the online staff meeting will have heard that we identified two areas of training that we need urgently. We have since decided to extend both of these to all staff, not just chefs."

[1. 特別培訓／聽了網上會議的人都知道，我們確認了兩個急需的培訓範疇。之後我們決定把這兩種培訓擴展至全體員工，而不只是廚師。]

- 類型：**2 Task 2** 直接可用
- 分析：
  - 這是 Task 2 的選課標準之一。
  - 它說明：
    - 有 兩個 **urgent training areas**
    - 對象是 **all staff**
  - 這會影響你之後的課程篩選：
    - 只適合管理層或只適合戶外廚師的，不是最佳答案
    - 能給全體員工的課會更有力。

"2. Food hygiene training / Similarly, staff are encouraged to do food hygiene training. As per our company policy on food hygiene, trainers for this course must be approved by the Health Advisory Board (HAB)."
[2. 食物衞生培訓／同樣地，員工亦被鼓勵參加食物衞生培訓。根據公司食物衞生政策，這個課程的導師必須得到 Health Advisory Board (HAB) 認可。]

- 類型：**2 Task 2** 直接可用
- 分析：
  - 這是 Task 2 的第二個硬條件。
  - 它直接告訴你：推薦的 food hygiene course 必須**HAB approved**。
  - 因此它會變成篩選鍵：
    - **The Chef's Special** 可留；
    - **Food Hygiene Basics** 要淘汰，因為之後資料顯示 HAB 有問題。

"3. Annual Review Targets (ARTs) / I have informed Human Resources that all training will count as credit towards your Annual Review Targets (ARTs). These will look really good on an appraisal!"

[3. 年度檢討目標（ARTs）／我已通知人力資源部，所有培訓都會計入你們的 ARTs 學分。這在考核時會很好看！]

- 類型：**2 Task 2** 直接可用
- 分析：
  - 這不是選課標準，寫電郵時可用的 **benefit**。
  - Boss letter 要你解釋「how their work will benefit from each one」。
  - 除了各課程的實際技能外，這裡提供了公司層面的好處：
    - **training counts towards ARTs**
    - **looks good on appraisal**
  - 所以這是 Task 2 很高價值的附加好處。

5

"4a) I'm delighted to announce that Mary Steward has confirmed her availability for Viewer's Choice!"

[4a) 我很高興宣布 Mary Steward 已確認會參與 Viewer's Choice！]

- 類型：**3 Task 3** 直接可用
- 分析：
  - 這句把 chat 中的「if she confirms soon」變成已確認。
  - 所以它是 Mary Steward 參與節目的最終版本。
  - Task 3 應用這個版本，不應再寫成未確定。

"4b) More exciting news: our Big Prize — the finished dish — will be delivered by the food delivery company FlyingFood using a drone. Cutting edge technology!"

[4b) 更令人興奮的消息：我們的大獎——完成的菜式——將由外賣公司 FlyingFood 以無人機送遞。尖端科技！]

- 類型：**3 Task 3** 直接可用
- 分析：
  - 這句把 storyboard 裡未填的 delivery company 補齊。
  - 其中真正要用的內容是：
    - **FlyingFood**
    - **using a drone**
  - "Cutting edge technology!" 也可作宣傳語氣，但最好改寫，不要原句照抄。

"4c) We've agreed that the main choice in Episode 1 will be between apple and blueberry filling. Yum! We should mention this in any promotional materials."

[4c) 我們已同意第1集的主要選項會是蘋果餡還是藍莓餡。很好吃！我們應在任何宣傳材料中提到這一點。]

- 類型：**3 Task 3** 直接可用
- 分析：
  - 這句直接回答 storyboard 上留白的位置。
  - 而且 Dante 明說：**should mention this in promotional materials**。
  - 所以這是 Task 3 必寫點。

Corporate Training Intranet。

1

"Pinafore Solutions / Life-Proof Professional Chef Training / Pinafore Solutions offers training and development programmes for culinary staff."

[「Pinafore Solutions／Life-Proof Professional Chef Training／Pinafore Solutions 為餐飲員工提供培訓與發展課程。」]

- 類型：2 Task 2 直接可用
- 分析：
  - 這一行交代課程提供者是 Pinafore Solutions。
  - 推薦 Hazard Awareness 時，把課程名稱和提供者寫在一起，方便員工辨認課程。
  - 但名稱本身不是選課理由；仍要看下列課程內容、適用對象和評語，解釋它如何幫助員工。

"1. Advanced Fire Safety / This course will help develop and manage your staff in the realm of fire safety. We include helpful guidance on how to develop a fire plan as well as the important things to consider when training fire marshals. Finally, we've got you covered in maintaining those all-important emergency routes that could be vital in the survival of you and your employees. Sign up today!"

[「1. Advanced Fire Safety／這課會幫你在防火安全方面發展和管理員工；包括制定 fire plan、訓練 fire marshals，以及維持緊急逃生路線。立即報名！」]

- 類型：**5** 提示（**Task 2** 的淘汰線索）
- 分析：
  - 表面看，這課跟 fire safety 很吻合，似乎應該入選。
  - 但細看內容，重點是：
    - **develop and manage your staff**
    - **training fire marshals**
    - **emergency routes**
  - 這些都偏向管理層 / 較高層級安全管理。
  - 再和 reviews 對讀，就會發現它其實不適合 **all staff**。
  - 所以用來幫你淘汰的候選課。

"2. Hazard Awareness / The kitchen is full of fire hazards and dangers. Can you recognise them all? A professional chef needs all the tricks of the trade to keep everyone safe. This course starts with how to use a fire extinguisher and moves on to how to keep fire exits clear — a must for the next culinary genius!"

[「2. Hazard Awareness／廚房充滿火警危險和各種風險。你能全部辨認嗎？專業廚師需要掌握各種門道，才能保障所有人安全。此課先教你使用滅火筒，再教你保持防火通道暢通——對下一位廚藝新星來說是必修。」]

- 類型：**2 Task 2** 直接可用
- 分析：
  - 這課和 **錄音檔** 裡的 **fire problem / staff didn't know what to do** 非常吻合。
  - 真正可抽出的工作好處是：
    - **recognise fire hazards**
    - **use a fire extinguisher**
    - **keep fire exits clear**
    - **keep everyone safe**
  - 這些都是可直接寫進推薦電郵的實際功能。

"3. Food Hygiene Basics / Our most popular course: see how to handle raw food and cook at a safe temperature. AFH approval pending!"
[「3. Food Hygiene Basics／我們最受歡迎的課：學習如何處理生食和以安全溫度烹調。AFH 認可待批！」]

- 類型：**5** 提示（**Task 2** 的淘汰線索）
- 分析：
  - 課程內容本身其實不差，和 food hygiene 有關。
  - 但最後一句 **AFH approval pending** 很致命。
  - 因為 Dante email 已定下規則：food hygiene trainers 必須 **HAB approved**。
  - 這裡不但不是 HAB，還只是 AFH pending。
  - 所以這課的功能不是用來最後推薦，用來被排除。

"The Grill Gurus / Need comprehensive chef training for indoor and outdoor chefs? ... We run training sessions for the modern adventurous chef. All instructors are HAB approved."

[「The Grill Gurus／需要為室內與室外廚師提供全面培訓嗎？.....我們為現代冒險型廚師提供訓練。所有導師均獲 HAB 認可。」]

- 類型：2 Task 2 直接可用
- 分析：
  - 這組資料指出課程提供者是 The Grill Gurus；推薦 The Chef's Special 時可一併寫出。
  - 所有導師均獲 HAB 認可，符合 Dante 電郵所述的食品衞生培訓條件。
  - 再用課程內容說明員工可學到防止交叉污染和安全烹調溫度。

6

"A: The Chef's Special / The ultimate food safety guide for adventurous chefs, including 'Food Safety 101': from the test kitchen to the plate™. 'Keep it separate, stupid!' is our tongue-in-cheek guide to avoiding cross-contamination in the kitchen, while 'Burn those bugs' explains the importance of safe cooking temperatures."

[「A: The Chef's Special／給冒險型廚師的終極食物安全指南，包括『Food Safety 101』;『Keep it separate, stupid!』教你避免廚房交叉污染，而『Burn those bugs』解釋安全烹調溫度的重要。」]

- 類型：**2 Task 2** 直接可用
- 分析：
  - 這是 food hygiene 類裡最強的候選課。
  - 因為它直接對應工作需要：
    - **avoid cross-contamination**
    - **safe cooking temperatures**
  - 這些也正好回應 William 影片風波中的 food hygiene 敏感點
  - 再加上 provider 已寫 HAB approved

7

"B: The Fire Chef's Manual / We cover all the basics to make your alfresco cooking experience as safe as possible. Learn how to light a campfire safely, then we'll get you ready to use a fire extinguisher when things go wrong. Putting out an oil fire is something that's more difficult than it looks: we'll guide you through the tricky process. Trust us to make sure only the food gets burnt™."

[「B: The Fire Chef's Manual／我們涵蓋戶外烹飪安全的基本知識，包括安全生營火、出事時使用滅火筒，以及撲滅油火等。」]

- 類型：**5** 提示（**Task 2** 的淘汰線索）
- 分析：
  - 它不是完全無關，因為也有 fire safety。
  - 但它的語境很明顯偏向：
    - **alfresco cooking**
    - **campfire**
    - 戶外場景
  - 而公司目前最急的是 kitchen / private kitchen / staff safety 問題，不是海邊燒烤。
  - 所以它屬於相關但不是最適合的陪跑課。

8

"PR Productions / Perfecting Dreams for Online Creators / Let PR Productions pave your path to personal perfection! / Online booking is now open. / Each course features 5 hours of Zoom sessions with certified Social Media Influencers!"

[「PR Productions／為網絡創作者成就夢想／讓 PR Productions 帶你走向完美！／現已接受網上報名。／每個課程包括 5 小時 Zoom 課堂，由認證社交媒體 influencer 主講！」]

- 類型：2 Task 2 直接可用 + 5 提示
- 分析：
  - PR Productions 是 Be Your Best! 的課程提供者；推薦時連同課程名稱寫出。
  - 宣傳口號不用照搬；課程詳情中的清楚表達，才可對應錄音提出的網上溝通需要。

9

"Option 1: Be Your Best! / We teach the importance of Crystal Clear Communication™: the art of only saying what you mean and meaning what you say. After this course, you'll be a social media angel, showing your perfect self, all the time! Our previous graduates include stars of stage and screen, CEOs and KOLs. Yoga mums and fitness dads also welcome!"

[「Option 1: Be Your Best!／我們教授 Crystal Clear Communication™ 的重要：只說你真正想說的話，也讓你的意思準確傳達。完成課程後，你會成為社交媒體上的完美表達者！過往畢業生包括明星、CEO 與 KOL；瑜伽媽媽和健身爸爸也歡迎。」]

- 類型：**2 Task 2** 直接可用 + **4** 語義相關
- 分析：
  - 真正有用的核心只有第一句：
    - **only saying what you mean and meaning what you say**
  - 這和 錄音檔 裡的需求：
    - **behaving properly online**
    - **people don't misinterpret what you're saying**
    - **how not to offend people**
  - 是語義上完全對得上的。
  - 所以這課是 social media training 的正解
  - 後面那些 social media angel / KOL / yoga mums 等，主要是宣傳味，不是推薦電郵的主體。

10

"Option 2: Maximise My Money / How to turn your social media feed into a money-spinner? It's not just about the way you sound, but what your customers can see. Join this course to write like a millionaire™ and monetise your brand today!"

[「Option 2: Maximise My Money／如何把你的社交媒體變成賺錢工具？不只在乎你怎樣說，更在乎客人看見甚麼。加入這課，像富翁一樣寫作，今天就把你的品牌變現！」]

- 類型：5 提示（淘汰線索）
- 分析：
  - Maximise My Money 主打品牌變現和營利，與錄音提出的網上言行、避免誤解及冒犯較不相符。
  - 三選一時保留 Be Your Best!；正式電郵集中介紹入選課程。

Previous participants' reviews。

1

"Food Hygiene Basics ... A bit of a shame that the instructors lost their HAB approval (they're switching to AFH — the Association of Food Health — next year) ..."

[「Food Hygiene Basics.....可惜導師失去了 HAB 認可（他們明年會轉去 AFH）.....」]

- 類型：**5** 提示（**Task 2** 的淘汰線索）
- 分析：
  - 這句幾乎是致命證據。
  - 因為 Dante email 要求 **HAB approved**
  - 這裡 reviews 明說 **lost their HAB approval**
  - 所以 Food Hygiene Basics 雖然內容看似合適，但制度上不符合公司要求
  - 這是非常典型的 DSE 篩選陷阱：表面合題，實際不合條件

2

"The instructors gave out some really interesting tips on food safety. Although I liked the course, I thought it was a bit too short. It would have been better to have some time for questions at the end."

[「導師提供了很有趣的食物安全小貼士。不過我覺得課程有點太短，若最後有問答時間會更好。」]

- 類型：**5** 提示
- 分析：
  - 這些評語不是完全沒用。
  - 它告訴你 Food Hygiene Basics 內容不差。
  - 但因為 HAB 問題已經足以把它淘汰，所以這些正評不能救回它
  - 它們的功能只是讓這個 distractor 更像正確答案。

"The Chef's Special / Yes, great: no complaints. ... the '101' section ... was really informative, and the 'Keep it separate, stupid!' part made me laugh! / ... Great tips on how to have a food-safe kitchen. ... it will definitely have its uses in my cooking career as it comes with a professional qualification."

[「The Chef's Special／很好，沒甚麼可挑剔。『101』部分很有資訊性，『Keep it separate, stupid!』也很有印象。／很好的食物安全廚房貼士……而且它附帶專業資格，對我的職業生涯肯定有用。」]

- 類型：4 語義相關 / 補充佐證
- 分析：
  - ○ 學員評語稱課程有實用食安貼士，亦提及專業資格；這些是參加者的經驗。
  - ○ 寫電郵時可借「食安貼士」補充工作好處；主要介紹仍應用課程資料中的交叉污染與安全溫度。

4

"Hazard Awareness / ... this course has something for everyone, not just chefs."

[「Hazard Awareness／.....這課不只是給廚師, 而是人人都有得着。」]

- 類型：4 語義相關 / 補充佐證
- 分析：
  - 一位參加者認為 Hazard Awareness 對廚師以外的員工也有用，支持向全體員工推薦。
  - 電郵可把課程的滅火筒、火警風險和走火通道內容，連到員工的工作安全。

5

"The Fire Chef's Manual / ... it was really useful to learn about cooking on the beach over an open-air fire. ... Steve says he thought it was a waste of time because he works at an indoor kitchen."

[「The Fire Chef's Manual／.....學到如何在沙灘上、露天火源下煮食很有用.....但 Steve 覺得自己在室內廚房工作, 所以這課是浪費時間。」]

- 類型：5 提示（Task 2 的淘汰線索）
- 分析：
  - 這課聚焦 beach / open-air fire；評語顯示室內廚房員工未必用得上。
  - Task 2 要選三課。Hazard Awareness 教火警風險、滅火筒和逃生通道，更切合公司現時的防火培訓需要。
  - 因此淘汰 The Fire Chef's Manual；正式電郵集中介紹入選的三課，毋須提及落選課程。

6

"Advanced Fire Safety / Lots of information, but it's really only for management-level staff, not for everyone ... / ... 25 hours of online talks ... inefficient and expensive."

[「Advanced Fire Safety／資料很多，但其實只適合管理層，不適合所有人……／25 小時網上講座……低效而且昂貴。」]

- 類型：5 提示（淘汰線索）
- 分析：
  - 一位學員認為 Advanced Fire Safety 偏重管理層；另一位質疑 25 小時網上講座的效益。
  - Dante 要向全體員工推課；因此選較普遍適用的 Hazard Awareness。
  - 正式電郵介紹入選課程的實際技能，無須詳述落選課程的評語。

"Be Your Best! / ... this has already improved my videos. ... / This course is absolutely not just for social media stars: I work in PR as well as being a vlogger. Before, I had real trouble communicating in work meetings — not anymore!"

[「Be Your Best!／.....這課已改善了我的影片。／這課絕對不只是給社交媒體明星：我同時做 PR 與 vlog。以前我在工作會議裡很難清楚表達，現在不再如此！」]

- 類型：4 語義相關 / 補充佐證
- 分析：
  - 一位兼任 PR 的學員說，Be Your Best! 改善了她在工作會議中的溝通。
  - 這個經驗可補充課程的工作用途；主要論據仍是課程教清楚表達，對應錄音中的網上溝通需要。

8

"Maximise My Money / ... maximise my brand and start raking in the profit. ... Take this together with PR Productions' course on communication and you'll be the complete package."

[「Maximise My Money／.....最大化品牌並開始賺錢.....若再配合 PR Productions 的 communication 課，你就完整了。」]

- 類型：5 提示（淘汰線索）
- 分析：
  - ○ 評語讚賞 Maximise My Money 的品牌、盈利、文字和視覺技巧。
  - ○ 本次培訓要處理安全、食物衞生和清楚溝通；這課偏向品牌變現，故不列入三項推薦。

錄音資料

A. Live, Study, Cook 段落

1

"First, the filming schedule. The big news is that we've got the money for ten different episodes. ... we were hoping to start filming in July ... so we've pushed it back until October."
[「先講拍攝時間表。我們已拿到十集的資金.....原本想七月開拍.....但已押後到十月。」]

- 類型：**6** 無關噪音
- 分析：
    - 這些資料只關於 Live, Study, Cook。
    - 三個寫作任務都不要求寫這個節目的集數或開拍日期。
    - 所以這是一段明顯的干擾材料。

2

"Have you decided on what kind of food they should cook ... ? / ... we're now going with main dishes. ... The other option ... is desserts."
[「你們決定比賽煮甚麼了嗎？／.....現在會做主菜。.....另一個選項是甜品。」]

- 類型：**6** 無關噪音
- 分析：
    - 同樣是 Live, Study, Cook 的內容。
    - 對 Task 1、2、3 都沒有直接作用。

B. William viral video 段落

3

"All right, let's talk about this viral video with William Puddle ... / Ah, it's all here in this tabloid story. Flood... in the kitchen. / ... A real flood. And there were some possible food safety issues, but we think it's all been a misunderstanding."
[「好，現在談 William Puddle 的爆紅影片.....／八卦報道都在這裡：廚房水浸.....／.....真的是水浸。還有一些可能的食物安全問題，但我們認為那些都屬誤會。」]

- 類型：1 Task 1 可用（總括）
- 分析：
  - Winnie 確認廚房真的水浸，並說大家認為可能的食安問題屬誤會。
  - 公告應承認水浸，再用 William 的 chat 逐項澄清洗手及茶巾指控。
  - 錄音這句是總括，未交代每項誤會的具體原因。

"People are also saying he was very upset in the video, right? / He wasn't upset — he was chopping onions! That's why he was crying. The whole video was about cooking with onions!"

[「大家也在說他在影片裡很 upset，對吧？／他不是 upset——他是在切洋蔥！所以他才會流眼水。整段影片本來就是關於用洋蔥煮食！」]

- 類型：**1 Task 1** 直接可用
- 分析：
  - 這是 article 最後一項指控的直接澄清。
  - 真正可用的點是：
    - **he wasn't upset**
    - **he was chopping onions**
    - **that's why he was crying**
  - 這些句子應寫進 Task 1 的澄清段。

C. Social media training 段落

5

"I think all staff should be asked to go on a social media training course. / ... we would need to find a course all about behaving properly online, and saying things so that people don't misinterpret what you're saying. / So, er, how not to offend people. That kind of thing? / Exactly."
[「我認為應要求所有員工參加社交媒體培訓。／.....我們需要找一個關於如何在網上行為得體、以及如何表達得不讓人誤解的課程。／即是說, 不要冒犯人那一類？／正是如此。」]

- 類型：**2 Task 2** 直接可用 + **4** 語義相關
- 分析：
  - 這段沒有直接給課程名稱。
  - 但它用語義描述了公司需要甚麼課：
    - **behaving properly online**
    - **don't misinterpret**
    - **not offend people**
  - 這就是把你導向 **Be Your Best!**
  - 因為 Be Your Best 的描述正是：
    - **only saying what you mean and meaning what you say**
  - 所以這段最典型地屬於類型**4**：語義對應資料。

"Right, well I could include that in my all staff email this week. But I think we need to sweeten the deal to keep everybody happy. Any ideas? / ... How about, er, an extra day of leave? / ... only if they do three courses. / ... only the first ten people to complete all three can get an extra day off."

[「好，那我可以把這點寫進本週給全體員工的電郵。不過我覺得要再加點甜頭，讓大家更樂意。／.....不如多一天假？／.....但前提是他們要上三個課。／.....而且只有最先完成三個課程的十位員工可額外放一天假。」]

- 類型：**2 Task 2** 直接可用
- 分析：
  - 這一段直接支持 Task 2 的寫法。
  - 它給了你電郵中可加入的鼓勵報名誘因：
    - first ten people
    - complete all three courses
    - get an extra day off
  - 這是鼓勵行動的公司福利。

D. Golden Sun Tower / fire safety 段落

7

"There were some issues at Golden Sun Tower. We need to do something about the little fire problem ... / ... We've had a complaint from the owner of the private kitchen. They said that our staff didn't know what to do when they started the fire."

[Golden Sun Tower 那邊出了些問題；我們要處理上次的「小火警」…… / 私房廚房的業主投訴，聲稱我們的員工引起火警後不知如何處理。]

- 類型：5 提示（Task 2 選課背景）
- 分析：
  - ○ 私房廚房業主投訴，聲稱員工面對他所說的「火警」時不知如何處理。
  - ○ 配合錄音稍後的澄清及培訓決定，這段說明為何要選實用防火課。
  - ○ 電郵可介紹 Hazard Awareness 的滅火筒和走火通道技能；毋須把業主指控寫成既定事故。

8

"Well, you see, it wasn't really a fire. It was just a piece of burnt toast. / ... I think our chefs will need to do some fire safety training ... / Absolutely. We'll ... work out a schedule."

[「其實那不算真的火警, 只是一塊燒焦多士。／.....我認為我們的廚師需要做 fire safety training。／當然, 我們會安排時間表。」]

- 類型：2 Task 2 可用（培訓決定）
- 分析：
  - Winnie 澄清：實際上只是一塊燒焦多士，沒有真正發生火警。
  - Dante 隨後仍要求廚師接受防火訓練；後來電郵把培訓擴展至全體員工。
  - 推薦 Hazard Awareness 時，寫課程能教的安全技能，避免說公司剛發生真火警。

9

"The private kitchen wants money to cover their cost ... / Ten thousand dollars. / ... Five thousand. They can take it or leave it. / So, five thousand for the private kitchen. I'll make a note of that."

［私房廚房要求補償成本…… / 一萬元。 / Dante 只願出五千元，對方可接受或拒絕。 / Archie 記下給私房廚房的五千元。］

- 類型：6 無關噪音
- 分析：
  - 這段談私房廚房要求補償成本：對方提出一萬元，Dante 只願出五千元。
  - 錄音沒有交代對方已接受五千元；三篇任務也沒有要求寫這項談判。
  - 因此不把金額寫進任何一篇答案。

E. Viewer's Choice 段落

10

"I have some news about the new show. It's with William, but it will still be amazing. It's called 'Viewer's Choice'. / ... because it's interactive. Viewers can actually choose their own ingredients and decide what William cooks right there on the show. It'll be the first ever fully interactive online TV cooking show!"

[「我有一些關於新節目的消息。它是跟 William 有關，但仍會很精彩，節目叫『Viewer's Choice』。／.....因為它是互動的。觀眾真的可以自己選材料，決定 William 當場煮甚麼。這將會是史上第一個完全互動的網上煮食電視節目！」]

- 類型：3 Task 3 直接可用
- 分析：
  - Dante 說觀眾可選食材，決定 William 在節目中煮甚麼。
  - 「史上首個」是他的宣傳說法；講稿要把創新原因寫實：節目完全互動，而且全程直播。
  - 這段提供了觀眾投票與 William 現場烹調的核心機制。

11

"Is any of it recorded? / No, it's totally live, and it's going to change the face of TV cooking forever! / And it's live? But so many things could go wrong! ... / Ah, but think of how many things could go right! It's a guaranteed winner!"

[「有任何部分是預錄的嗎？／沒有，整個節目完全 live，而且會永遠改變電視煮食的面貌！／而且是 live？那很多事都可能出錯！／但想想看，也有很多事可能做得對！這是保證成功的節目！」]

- 類型：**3 Task 3** 直接可用 + **4** 語義相關
- 分析：
  - 真正可用的硬資訊是：
    - **it's totally live**
  - 這句和上一段的 **fully interactive** 一起，正是「ground-breaking」的實際解釋。
  - 後面那些 "change the face of TV cooking forever" / "guaranteed winner" 屬宣傳腔，可改寫使用，但不宜原句照搬。

Summary

Task 1 最後應用的核心點

1. 承認真錯誤
    - William **did flood the kitchen**.
    - 原因是他 **forgot to turn off the tap**.
    - 背景是公司剛由 **automatic tap** 改成 **manual tap**。
2. 澄清三個誤會
    - 影片省略了 William 洗手的畫面；相關片段在剪輯時被刪去。
    - William 用乾淨茶巾擦面；他有 150 條外觀相同的茶巾。
    - 他切洋蔥時眼睛泛淚；Winnie 確認他沒有難過。
3. 寫作語氣
    - 因為是公司網站公告, 所以要 **supportive but responsible**:
        - 不能完全否認;
        - 也不能照抄 gossip 文的誇張語氣。

Task 2 最後應推的三個課程

1. **Hazard Awareness**
   - 原因：公司剛有 fire-safety 問題；staff didn't know what to do；這課教 **fire hazards / extinguisher / fire exits**。
   - 加上 review 說 **something for everyone, not just chefs**。

2. **The Chef's Special**
   - 原因：它直接教 **cross-contamination** 和 **safe cooking temperatures**。
   - 更重要是 provider **HAB approved**，符合公司政策。

3. **Be Your Best!**
   - 原因：公司要的是 **behaving properly online / avoiding misinterpretation / not offending people**。
   - 這課的核心正是 **only saying what you mean and meaning what you say**。
   - ○ 一位兼任 PR 的學員說，這課改善了她在 work meetings 的表達；可作補充例子，說明課程也適用於日常工作溝通。

4. 可加的共同 **benefits**
    - 所有 training 都計入 **ARTs**。
    - 最先完成三個課程的十位員工可得 **extra day off**。

5. 應淘汰的課
    - **Advanced Fire Safety**：偏 management-level，不適合 all staff。
    - **Food Hygiene Basics**：HAB approval 有問題。
    - **The Fire Chef's Manual**：太偏 open-air / campfire。
    - **Maximise My Money**：重點是 monetising brand，不是公司急需。

Task 3 最後應用的核心點

1. 節目名
    - **Viewer's Choice**
2. 為何 **ground-breaking**
    - **fully interactive**
    - **totally live**
3. 由誰選甚麼
    - **viewers choose the ingredients**
    - William 現場煮出來。
4. 主持 / 星級陣容
    - William Puddle
    - **Mary Steward confirmed as co-star**
    - 舊的 **mystery guest** 設定已淘汰。
5. **Episode 1**
    - 叫 **Fruit Pie**
    - 主選項是 **apple or blueberry filling**
6. 投票方式
    - ○ 舊版 voting hotline 已取消。
    - ○ 以 Teen NetChef TV app 免費投票。
7. **Big Prize**
    - **one lucky voter** wins the **finished dish**
    - 由 **FlyingFood** 用 **drone** 送到門口
