

Word family: **practice / practise / practical / practically / practicality / practicable / practised / practitioner**

Base family: practice / practical

Related forms: practise, practised/practiced, practically, practicality, practicalities, practicable, practitioner

Part of speech: noun(名詞) / verb(動詞) / adjective(形容詞) / adverb(副詞)

Your sentence:

> “At the same time, the ad mentioned **practical features** like comfort, battery life, and sound quality, so it still felt believable.”

Meaning in this passage

Here, **practical** means **useful in real everyday use and connected with how well the product actually works**, rather than merely emotional, stylish, or theoretical.

繁體中文: **在實際使用中真正有用、會直接影響產品功能和使用體驗的**

中文翻譯:

> “At the same time, the ad mentioned practical features like comfort, battery life, and sound quality...”

「與此同時，廣告亦提到了舒適度、電池續航力和音質等**實際使用上真正有用、會影響使用體驗的功能特點**.....」

So:

practical features = 與產品實際使用效能、便利程度和功能表現直接有關的特點

1. **practical = feature/tool/solution(功能／工具／解決方法)useful in real use — 實用的; 實際有用的**

This is the meaning in your original sentence.

Meaning: Useful and effective in real situations rather than merely attractive or theoretical.

Practice 1 — Original

> “The ad mentioned **practical features** like comfort, battery life, and sound quality.”

「廣告提到了舒適度、電池續航力和音質等**實際使用上有用的功能特點**。」

Practice 2

> “The bag has several **practical** features, including waterproof pockets.”

「這個袋有幾項**實際使用上很有用的設計**，包括防水口袋。」

Practice 3

> “This is a simple and **practical** solution.”

「這是一個簡單而且**實際可用、能真正解決問題的方案**。」

****practical = 在真實情況中能發揮作用、解決問題或帶來便利的****

2. ****practical = plan/idea/advice (計劃／構思／建議) realistic and workable — 實際可行的; 符合現實條件的****

****Meaning:**** Sensible and capable of working under real-world conditions.

Practice 4

> “We need a more **practical** plan.”

「我們需要一個**更符合現實條件、真正可以執行的計劃**。」

Practice 5

> “Her advice was very **practical**.”

「她的建議非常**務實，而且實際上可以採用**。」

****practical plan/advice = 不只理論上合理，而是在現實限制下也能實行的****

This overlaps with #1, but the emphasis shifts from ****usefulness**** to ****workability****.

3. ****practical = person (人) sensible and focused on real solutions — 務實的; 講求實際的****

****Meaning:**** Good at dealing with real situations sensibly, rather than focusing mainly on ideals or abstract ideas.

Practice 6

> “She is a very **practical** person.”

「她是一個非常**務實、善於處理實際問題的人**。」

Practice 7

> “We need someone **practical** who can organize the event efficiently.”

「我們需要一個**務實、懂得有效處理具體事情的人**來安排活動。」

practical person = 重視現實情況、實際效果和可行解決方法的人

4. **practical = skill/course/work (技能／課程／工作) hands-on rather than theoretical — 實作的; 實務的**

Meaning: Involving actually doing something rather than only studying or discussing theory.

Practice 8

> “The course includes both theory and **practical** training.”

「這個課程同時包括理論和**實務操作訓練**。」

Practice 9

> “Students need more **practical** experience.”

「學生需要更多**實際操作和真實工作經驗**。」

practical = 涉及親自操作、執行或應用, 而不是只停留在理論層面的

Common examples:

* **practical training** = 實務訓練

* **practical experience** = 實際經驗

* **practical skills** = 實用／實務技能

* **practical work** = 實作工作

5. **practical = exam/test (考試) testing hands-on ability — 實作考試的; 實務測驗的**

This is a common education/professional application of #4.

Practice 10

> “The course ends with a written test and a **practical** exam.”

「課程最後有一個筆試和一個**實作考試**。」

Practice 11

> “She passed the driving **practical**.”

「她通過了駕駛的**實際操作考試／路試**。」

practical exam/test = 要求考生實際操作或示範技能, 而不是只回答理論問題的考試

In British English, **a practical** can itself mean a practical class or exam in some contexts.

6. **practice** = repeated activity to improve a skill (反覆練習) — 練習; 訓練

Here, **practice** is a noun.

Meaning: Repeatedly doing an activity in order to improve your ability.

Practice 12

> “Speaking English every day gives you valuable **practice**.”

「每天說英語可以給你很有價值的**練習機會**。」

Practice 13

> “The skill improves with **practice**.”

「這項技能會隨著**反覆練習**而進步。」

practice = 為提升技能而反覆進行某項活動的過程

Common expression:

> **Practice makes perfect.**

= 「熟能生巧。」

7. **practise/practice + skill/activity (技能／活動) — 練習; 操練**

Here, it is a verb.

Practice 14

> “You should **practise** speaking English every day.”

「你應該每天**練習說英語**。」

Practice 15

> “She **practised** the presentation several times.”

「她把簡報**反覆練習了幾次**。」

****practise = 為了改善能力而反覆進行某項技能或活動****

Very important spelling rule

In **British English**:

* noun → **practice**

* verb → **practise**

> “I need more **practice**.”

> “I **practise** every day.”

In **American English**:

* noun → **practice**

* verb → **practice**

> “I need more **practice**.”

> “I **practice** every day.”

This distinction is extremely useful.

8. **practice = usual/customary way of doing something (慣常做法) — 做法; 慣例; 常規**

****Meaning:**** A way of doing something that is regularly followed by a person, organization, profession, or society.

Practice 16

> “It is common **practice** to back up important files.”

「備份重要檔案是一種常見的**慣常做法**。」

Practice 17

> “The company changed its hiring **practices**.”

「公司改變了其招聘**做法／慣例**。」

practice = 某個人、機構或群體經常採用的做事方式或慣例

Common compounds:

* business practices = 商業做法

* hiring practices = 招聘慣例

* working practices = 工作方式

* medical practices = 醫療慣例／做法

9. **practice** = actual application rather than theory (實際應用) — 實踐; 實際操作

This is especially important in **in practice**.

Practice 18

> “The idea sounds good in theory, but it may not work in **practice**.”

「這個構思理論上很好, 但在**實際應用中**未必行得通。」

Practice 19

> “In **practice**, the process takes much longer.”

「在**實際執行時**, 這個過程所需時間長得多。」

in practice = 在真正執行或現實運作時, 而不是只從理論上看

Important contrast:

> **in theory** = 理論上

> ****in practice**** = 實際上／實行起來

10. ****put something into practice (知識／計劃) — 把.....付諸實行****

This is a very useful fixed expression.

Practice 20

> “It is time to put the plan into ****practice****.”

「現在是把計劃****付諸實行****的時候了。」

Practice 21

> “The course helps students put their knowledge into ****practice****.”

「這個課程幫助學生把所學知識****實際應用出來****。」

****put something into practice = 把原本只是理論、構思或知識的內容真正實行／應用****

11. ****practice = professional work/business (專業工作／業務) — 執業; 事務所／診所****

****Meaning:**** The professional work of a doctor, lawyer, accountant, architect, etc., or the business through which that work is carried out.

Practice 22

> “She works at a private medical ****practice****.”

「她在一家私人****診所／醫療執業機構****工作。」

Practice 23

> “He joined a large law ****practice****.”

「他加入了一家大型律師****事務所****。」

****practice = 專業人士進行執業工作的業務／機構, 或其專業執業本身****

Common:

* medical practice = 醫療執業／診所

* legal practice = 法律執業

* dental practice = 牙科診所

* private practice = 私人執業

12. **practise/practice + profession (醫療／法律等) — 執業; 從事某專業**

Meaning: To work professionally in medicine, law, etc.

Practice 24

> “She **practises** medicine in London.”

「她在倫敦**行醫／從事醫療專業工作**。」

Practice 25

> “He **practised** law for twenty years.”

「他**執業做律師**二十年。」

practise a profession = 正式從事某個需要專業資格的職業

Again:

* British verb: **practise**

* American verb: **practice**

13. **practised/practiced = skill/person (技能／人物) experienced and skilled through practice — 熟練的; 經過反覆練習的**

Meaning: Skilled because of repeated practice or experience.

Practice 26

> “She is a **practised** public speaker.”

「她是一位**經驗豐富、非常熟練的公開演講者**。」

Practice 27

> “With a **practised** eye, he noticed the problem immediately.”

「憑著**訓練有素、經驗豐富的眼光**，他立即注意到問題。」

practised = 因長期練習或經驗而變得熟練、有技巧的

British spelling: **practised**

American spelling: **practiced**

14. **practically** = in a practical/realistic way — 實際地；從現實角度地

Meaning: In a way that focuses on what can actually be done or used.

Practice 28

> “We need to think **practically** about the problem.”

「我們需要從**實際可行的角度**思考這個問題。」

Practice 29

> “She approached the situation **practically**.”

「她以**務實而講求可行性的方式**處理這個情況。」

practically = 以現實、務實及可實行的方式

15. **practically** = almost / nearly (程度) — 幾乎；差不多

This is a genuinely different and extremely common meaning.

Practice 30

> “The train was **practically** empty.”

「火車**幾乎是空的**。」

Practice 31

> “I’ve **practically** finished the report.”

「我**差不多**已經完成**這份報告**。」

practically = 幾乎達到某種狀態，雖然嚴格來說尚未完全如此

This meaning has little to do with 「實用」.

Very important for MCQs.

16. **practicality** = usefulness/workability (實用性／可行性) — 實用程度；實際可行性

Meaning: The quality of being useful, sensible, or workable in real situations.

Practice 32

> “We need to consider the **practicality** of the plan.”

「我們需要考慮這個計劃的**實際可行性**。」

Practice 33

> “The design combines style with **practicality**.”

「這個設計把美觀與**實用性**結合起來。」

practicality = 某個構思、產品或安排在真實情況中是否有用、方便或可實行的程度

Depending on context:

* product → **實用性**

* plan → **可行性**

17. **practicalities** = practical details that must be arranged (實際細節) — 實際安排；具體事務

The plural **practicalities** has a very useful specialized meaning.

Meaning: The real-world details that must be dealt with in order to make something happen.

Practice 34

> “We agree with the idea, but we still need to discuss the **practicalities**.”

「我們同意這個構思，但仍需要討論**實際執行上的具體安排和細節**。」

Practice 35

> “The **practicalities** of moving abroad can be complicated.”

「移居海外涉及的**實際安排和具體事務**可能很複雜。」

practicalities = 要令某件事真正實行時必須處理的具體細節、安排和現實問題

This is worth separating from singular **practicality**:

* **practicality** = 實用性／可行性

* **practicalities** = 實際細節／具體安排

18. **practicable** = plan/method/action (計劃／方法／行動) capable of being done — 可實行的; 可行的

This is an important related word that learners often confuse with **practical**.

Meaning: Actually possible to carry out successfully.

Practice 36

> “The proposal is technically **practicable**.”

「這項提案在技術上是**實際可以執行的**。」

Practice 37

> “We need to find the safest **practicable** solution.”

「我們需要找出最安全而且**實際可以實行的方案**。」

practicable = 在現實條件下確實能夠被執行或完成的

19. **practitioner** = person professionally engaged in a field (專業從業者) — 執業者; 專業人士

A useful family extension.

Practice 38

> “She is an experienced medical **practitioner**.”

「她是一名經驗豐富的醫療**執業人員**。」

Practice 39

> “The course is designed for legal **practitioners**.”

「這個課程是為法律**從業人員**設計的。」

practitioner = 實際從事某個專業、技術或工作領域的人

Common:

* medical practitioner = 醫療執業人員

* legal practitioner = 法律從業者

* healthcare practitioner = 醫療保健專業人員

20. **practical joke** = prank designed to trick someone — 惡作劇

This is a useful family extension because the whole expression is not predictable from **practical** = 實用的.

Practice 40

> “His friends played a **practical joke** on him.”

「他的朋友對他進行了一場**惡作劇**。」

Practice 41

> “The **practical joke** went too far and upset several people.”

「那場**惡作劇**玩得太過火，令幾個人感到不快。」

practical joke = 透過設計一個真實情境來捉弄或欺騙別人的惡作劇

It does **not** mean 「實用的笑話」.

Important distinction: ****practical vs practicable****

This is one of the most important distinctions in this family.

****practical****

Often means:

- * useful
- * sensible
- * suitable for real situations

> “a practical bag”

「很實用的袋」

****practicable****

Means:

- * possible to carry out

> “a practicable plan”

「實際上可執行的計劃」

A plan can be ****practicable**** (= possible) but not very ****practical**** (= convenient or sensible).

Important distinction: ****practical vs realistic****

****practical****

emphasizes:

- * usefulness
- * workability
- * concrete action

****realistic****

emphasizes:

- * being consistent with actual conditions and limitations

- > “a practical solution”

= 真正能解決問題、實際有用的方案

- > “a realistic deadline”

= 按現實條件確實有機會做到的截止日期

They overlap, but not completely.

Important distinction: **practical vs theoretical**

practical

= involving doing/applying

theoretical

= involving ideas, principles, explanations, or models

- > “practical training”

「實務操作訓練」

- > “theoretical knowledge”

「理論知識」

A good course may include both.

Important distinction: **practical vs useful**

useful

Broadly means helping you achieve something.

****practical****

often adds the idea that something works well ****in real everyday circumstances****.

> “This information is useful.”

「這些資料有用。」

> “This is a practical solution.”

「這是一個現實中真正可採用的方案。」

Important distinction: ****practically = practically vs almost****

This is crucial.

Meaning 1: ****in a practical way****

> “Think practically.”

「從實際可行的角度思考。」

Meaning 2: ****almost****

> “The battery is practically dead.”

「電池****幾乎完全沒電了****。」

Same spelling, clearly different meaning.

Important distinction: ****practice vs practise****

For British English:

Function Spelling	
----- -----	
noun	**practice**
verb	**practise**

> “I need more **practice**.”

> “I **practise** every evening.”

For American English:

Function	Spelling
----------	----------

-----	-----
-------	-------

noun	practice
------	-----------------

verb	practice
------	-----------------

This is one of the most useful spelling distinctions in the whole family.

Important distinction: **practice vs training**

practice

often means repeatedly doing the specific skill.

training

is broader and can include:

- * instruction

- * practice

- * coaching

- * preparation

> “I **practise** speaking English.”

「我練習說英語。」

> “I received customer-service **training**.”

「我接受了客戶服務培訓。」

Practice is often **part of training**.

Important distinction: **practice vs habit**

habit

= something a person regularly does, often automatically

practice

= an established way of doing something, especially within a profession, organization, or society

> “Checking my phone before bed is a habit.”

「睡前看手機是我的習慣。」

> “The company has changed its recruitment practices.”

「公司改變了招聘做法。」

Family-extension note

Following our Golden Manual, the especially useful members are:

- * **practice** = 練習; 慣常做法; 實際應用; 專業執業
- * **practise/practice** = 練習; 執業
- * **practical** = 實用的; 務實的; 實作的; 實際可行的
- * **practically** = 實際地; **幾乎**
- * **practicality** = 實用性 / 可行性
- * **practicalities** = 實際安排 / 具體細節
- * **practicable** = 可以實行的
- * **practised/practiced** = 熟練的
- * **practitioner** = 專業從業者
- * **practical joke** = 惡作劇
- * **in practice** = 實際上 / 實行起來
- * **put into practice** = 付諸實行

The family is especially interesting because the meanings fall into two broad conceptual branches:

A. repeated doing → practice / practise / practised / practitioner

B. real-world usefulness/application → practical / practically / practicality / practicable

They are related historically and conceptually, but should not all be collapsed into one Chinese translation.

For your original sentence

> “At the same time, the ad mentioned ****practical features**** like comfort, battery life, and sound quality...”

The exact meaning is:

****practical = 與產品在真實日常使用中的功能、便利性和實際表現直接有關的****

So:

****practical features = 實際使用時真正有價值、會影響使用體驗的產品特點****

Here, ****comfort, battery life, and sound quality**** make the advertisement believable because they are ****concrete real-world benefits****, rather than just emotional promises.
