

Here's the full curation for **set**, anchored to the passage phrase **"an important set of final exams."** **Set** is one of the most polysemous words in English, so this one needs a broader sweep than most entries. I'm separating only genuinely distinct modern meanings and keeping the **MCQ-ready master list** comprehensive.

SET

1. Passage anchor

> "She gave it to me right after I finished an important **set** of final exams..."

Passage meaning

set = a group of similar or related things that belong together or are considered as one unit
一組；一套；一系列

The key contrast is:

> a **set of exams**

> → 一組考試

> a tennis **set**

> → 一盤

> a film **set**

> → 拍攝佈景 / 現場

> **set** a deadline

> → 訂下截止日期

> **set** the alarm

> → 設定鬧鐘

> the sun **sets**

> → 太陽西沉

In the passage, **set** is the **group/collection** meaning.
