Passage recap

> “I would love to read more books in a similar **style**...”

Here:

style = the characteristic way a book is written, structured, and presented

Best Traditional Chinese:

* **風格**

* **寫作風格**

* **敘事風格**

Natural contextual translation:

我很想再讀更多類似風格的書。

Passage MCQ-ready meaning

style

= a characteristic way of writing, expressing, presenting, or doing something

風格；方式；特色

The crucial distinction in this passage is:

> **genre**

> → 作品屬於甚麼類型

> fantasy / crime / romance

versus:

> **style**

> → 作品是**怎樣寫、怎樣呈現**的

So when the speaker wants books in a **similar style**, they do not necessarily mean books with exactly the same plot or even exactly the same genre. They mean books with a similar **reflective, emotionally engaging, idea-driven way of storytelling**.
