Passage MCQ-ready meaning

****anchor****

= ****something that provides emotional stability and prevents someone from feeling mentally or emotionally adrift****

****精神支柱；穩定依靠；定心力量****

The metaphor is:

> literal anchor

> → prevents a ship from drifting

while:

> figurative anchor

> → prevents a person from feeling mentally or emotionally “carried away”

So the fountain pen functions as a ****small grounding ritual**** in an otherwise fast-paced world.
