Passage MCQ-ready meaning

****blast****

= ****to produce or play sound, especially music, extremely loudly****

****震耳欲聾地播放；大聲轟響****

The most important learner contrast inside the passage is:

> roller coasters ****thundered****

> → ****轟隆隆地移動****

while:

> music ****blasted****

> → ****以極大音量播放 / 傳出****

The larger semantic family then moves from physical force:

> ****bomb blast****

> → 爆炸

> ****blast of cold air****

> → 一股猛烈冷風

to figurative force:

> ****blast the decision****

> → 猛烈抨擊這項決定

and idiomatic meanings:

> ****have a blast****

> → 玩得非常開心

> ****a blast from the past****

> → 勾起昔日回憶的人 / 事物

So the passage uses the ****extremely loud sound/music**** branch rather than the explosion sense.
