Passage recap

> “He mocked weaker students, **hid people's belongings for fun**...”

Here:

hide = **to put something somewhere so that another person cannot easily see or find it**

Best Traditional Chinese:

* **藏起來**

* **藏匿**

* contextually: **把別人的東西藏起來**

Natural contextual translation:

他會嘲笑比較弱勢的學生，還會為了好玩把別人的東西藏起來。

Passage MCQ-ready meaning

hide

= **to put an object somewhere where it cannot easily be seen or found**

把.....藏起來；藏匿

The biggest learner split is:

> **hide the key**

> → **把鑰匙藏起來**

> **hide behind the door**

> → **躲在門後**

> **hide the truth**

> → **隱瞞真相**

> **hide your disappointment**

> → **掩飾失望**

> **clouds hid the moon**

> → **雲遮住月亮**

and then a completely different noun:

> **animal hide**

> → **獸皮**

So the passage uses the very concrete **conceal an object so someone cannot find it** branch.
