Spelling note

27. judgement vs judgment

Both spellings are standard.

British English

****judgement**** is common in general use.

American English

****judgment**** is generally more common.

Legal usage

****judgment**** is also very common in legal contexts, including in British legal usage.

So for this passage's British-style English:

> ****judgement****

is completely natural.

Do not treat the two spellings as different meanings.

Countability

28. judgement can be uncountable or countable

Uncountable — decision-making ability

> She has good ****judgement****.

> 她有良好的****判斷力****。

Countable — particular opinion/decision

Passage recap

> “...the combination of knowledge, **judgement**, and humility.”

Here:

judgement = the ability to assess situations accurately and make sensible decisions

Best Traditional Chinese:

* **判斷力** *

* **判斷能力** *

* **識見** *

Natural contextual translation:

她最突出的地方，在於她把知識、判斷力和謙遜結合在一起。

Passage MCQ-ready meaning

judgement

= the ability to make sensible decisions after assessing a situation carefully

判斷力；判斷能力；識見

The key passage contrast is:

> **knowledge**

> → 知道甚麼

> **intelligence**

> → 能理解、推理

> **judgement**

> → 知道在特定情況下應該怎麼做、哪個選擇更合適

That is why Ms. Lau's ability to **read the room and change her approach** is evidence of strong **judgement**, not merely high intelligence.
