

Word family: **polish / polished / polishing**

Base word: polish

Past tense: polished

Past participle: polished

Related forms: polished, polishing, polish

Part of speech: verb (動詞) / noun (名詞) / adjective (相關形式)

Your sentence:

> “Instead, it felt calm, **polished**, and relatable.”

Meaning in this passage

Here, **polished** describes the advertisement’s overall presentation.

Meaning: Carefully prepared and refined so that it appears professional, smooth, complete, and high-quality rather than rough or unfinished.

繁體中文: **經過仔細打磨和完善，呈現出專業、流暢、成熟而完成度高的感覺**

中文翻譯:

「相反，它給人的感覺是平靜、**精緻成熟、製作完善**，而且容易令人產生共鳴。」

polished = 經過仔細完善，呈現出專業、成熟、流暢而完成度高的

1. **polished = work/presentation/performance (作品 / 簡報 / 表現) carefully refined and professionally finished — 精緻成熟、完成度高的**

Meaning: Carefully prepared and improved until it looks or sounds professional, smooth, and complete.

Practice 1 — Original

> “Instead, it felt calm, **polished**, and relatable.”

「相反，它給人的感覺是平靜、**精緻成熟、製作完善**，而且容易令人產生共鳴。」

Practice 2

> “The final advertisement looked very **polished**.”

「最終版本的廣告看起來**製作非常成熟、專業，而且完成度很高**。」

Practice 3

> “Her presentation was clear, confident, and **polished**.”

「她的簡報**準備充分、表達流暢，而且很有專業水準**。」

polished = 經過充分準備和完善，呈現出成熟、專業、流暢的品質

This same sense can describe:

* **a polished advertisement**

* **a polished presentation**

* **a polished performance**

* **polished writing**

* **a polished website**

These are the **same core meaning**, not separate senses.

2. **polish** + work/writing/skill (作品 / 文字 / 技巧) — 進一步修改、改善，使其更成熟完善

Here, **polish** is a verb.

Meaning: To make something that is already reasonably good more refined, accurate, smooth, or professional.

Practice 4

> “I need another day to **polish** the report.”

「我還需要一天時間把報告**進一步修改和完善，使內容更成熟專業**。」

Practice 5

> “She practised repeatedly to **polish** her presentation skills.”

「她反覆練習，以**進一步改善並提升簡報技巧的成熟度**。」

polish = 在已有基礎上進一步修改、練習或完善，使品質更高

A useful nuance:

polish usually suggests that the basic work is already there; you are improving the **final details**, not creating it from nothing.

3. **polished = person/manner/speech (人物 / 舉止 / 說話方式) refined and socially confident — 舉止成熟得體、談吐流暢而有修養的**

Meaning: Behaving or speaking in a refined, confident, sophisticated, and socially skilled way.

This develops from the idea of something being “carefully refined,” but it has a clear social use worth learning.

Practice 6

> “She is a very **polished** speaker.”

「她是一位**談吐成熟流暢、表現自信而有專業修養的**講者。」

Practice 7

> “His **polished** manner made a strong first impression.”

「他那種**成熟得體、很有修養的舉止**給人很深的第一印象。」

polished person/manner = 舉止、談吐或社交表現成熟得體、流暢而有修養的**

4. **polish + surface/object (表面 / 物件) — 擦亮；磨光，使表面變得光滑有光澤**

Meaning: To rub a surface in order to make it smooth, clean, and shiny.

Practice 8

> “He **polished** his shoes before the interview.”

「他在面試前把鞋子**擦亮，使表面乾淨有光澤**。」

Practice 9

> “The staff **polished** the wooden table.”

「員工把木桌**擦磨至表面光滑有光澤**。」

polish = 摩擦或處理物件表面，使其變得平滑、乾淨和有光澤**

5. **polished** = surface/object (表面 / 物件) made smooth and shiny — 表面經擦磨後光滑有光澤的**

Meaning: Having a smooth, shiny surface because it has been rubbed or treated.

Practice 10

> “The floor was made of highly **polished** stone.”

「地板由**經過打磨、表面非常光滑有光澤的**石材製成。」

Practice 11

> “The table had a beautifully **polished** surface.”

「桌面**經過仔細擦磨，呈現出漂亮而光滑的光澤**。」

polished surface = 經過擦磨處理後變得平滑、有光澤的表面

Compare:

> **a polished presentation**

> = 完成度高、專業成熟

> **a polished table**

> = 表面被擦磨得光滑有光澤

These are related metaphorically, but the physical and figurative meanings are distinct enough for learners.

6. **polish** = substance/product (鞋 / 家具 / 金屬等使用的護理劑) — 擦亮劑；拋光劑

Here, **polish** is a noun.

Meaning: A cream, liquid, wax, or other substance used to clean, protect, and make a surface shiny.

Practice 12

> “I need some shoe **polish** for these leather shoes.”

「我需要一些**用來清潔、保護和擦亮皮鞋的鞋油 / 擦亮劑**。」

Practice 13

> “She applied furniture **polish** to the table.”

「她在桌子上塗了**用來保護並增加光澤的家具拋光劑**。」

polish = 用來清潔、保護並令物件表面產生光澤的產品

7. **polish** = smooth shiny finish (物件表面形成的光滑亮面) — 光澤；拋光效果

Here, **polish** is also a noun, but it means the **result**, not the product used.

Meaning: A smooth, glossy finish produced by polishing.

Practice 14

> “The wooden surface had a beautiful **polish**.”

「木製表面呈現出漂亮的**光滑亮面和拋光效果**。」

Practice 15

> “Repeated rubbing gave the metal a high **polish**.”

「反覆擦磨令金屬形成了**非常明亮、光滑的表面光澤**。」

polish = 物件經擦磨後形成的光滑、有光澤表面效果

Important:

* **some furniture polish** = 拋光劑 (產品)

* **a high polish** = 高度光亮的表面效果

8. **polish** = final refinement/finishing quality (作品最後階段的完善程度) — 最後修飾；精緻完善程度

Here, **polish** is an abstract noun.

Meaning: The refined, professional quality that results from careful final improvement.

Practice 16

> “The design is good, but it still needs more **polish**.”

「這個設計不錯，但仍需要更多**最後修飾和完善，才能顯得更成熟專業**。」

Practice 17

> “A little extra **polish** would make the presentation stronger.”

「再加一點**細節上的完善和修飾**，簡報會更出色。」

****polish = 經過最後細節改善後呈現出的成熟、精緻和專業程度****

This is the noun counterpart of sense #2.

9. ****Polish = relating to Poland (波蘭這個國家 / 人民 / 文化) — 波蘭的；波蘭人的****

⚠ Capital ****P****: ****Polish****

This is actually a ****different word****, not a meaning of lowercase ****polish****, but the spelling is identical apart from capitalization.

It is also pronounced differently.

Practice 18

> “She works for a ****Polish**** company.”

「她在一家****波蘭公司****工作。」

Practice 19

> “We tried some traditional ****Polish**** food.”

「我們品嚐了一些傳統的****波蘭食物****。」

****Polish = 與波蘭、波蘭人民或波蘭文化有關的****

10. ****Polish = language spoken in Poland — 波蘭語****

Here, ****Polish**** is a noun.

Practice 20

> “He speaks fluent **Polish**.”

「他能流利地說**波蘭語**。」

Practice 21

> “This document has been translated into **Polish**.”

「這份文件已翻譯成**波蘭語**。」

Polish = 波蘭所使用的主要語言 / 波蘭語

Important distinction: **polished** vs **perfect**

polished

= carefully refined and professionally presented

It can still contain small imperfections.

perfect

= having no faults or defects

So:

> “The presentation was polished.”

means:

「簡報**準備完善、成熟專業**。」

It does **not necessarily mean**:

「簡報完全沒有任何缺點。」

Important distinction: **polished** vs **sophisticated**

polished

Emphasizes:

- * careful preparation
- * refinement
- * smoothness
- * professional finish

sophisticated

Emphasizes:

- * complexity
- * advanced development
- * refined taste or knowledge

A presentation can be **polished** without being especially complicated or sophisticated.

Important distinction: **polish vs refine**

They overlap.

refine

= improve something by removing weaknesses or making it more precise

polish

= especially improve the final details so the result appears smooth, finished, and professional

For example:

> “We refined the main idea and then polished the final presentation.”

「我們先改善主要構思，再把最終簡報的細節**打磨完善**。」
