

LESSON 4 | TELEPHONE ENGLISH, MESSAGE TAKING & CONFIRMATION CALLS

Lesson 4 Communication Roadmap

第四課：電話英語、訊息記錄及確認聯絡

OPEN 開場	IDENTIFY 核實	CLARIFY 問清楚	HOLD 等候	TRANSFER 轉駁	MESSAGE 留言	CLOSE 結束
---------	-------------	-------------	---------	-------------	------------	----------

Phone Call English	WhatsApp English
More spoken and immediate. (較口語化, 需要即時回應。)	More written and concise. (較書面化, 通常較精簡。)
Use opening phrases clearly (要清楚開場及表明身份。): “Good morning, Three Garden Road CS counter. How may I help you?”	Identify yourself in the first message: (第一個訊息先表明身份。) “Good morning. This is the Three Garden Road CS counter.”
Ask who is calling (詢問來電者身份。): “May I ask who’s calling, please?”	Confirm the recipient / situation directly (直接確認對方及事項。): “May I confirm whether you are expecting Mr Lee?”
Use hold language (需要對方在線等候時使用 hold。): “Please hold for a moment while I check.”	No need to say “hold.” (WhatsApp 不需叫對方在線等候, 可說稍後回覆。) Use: “Let me check and I’ll get back to you shortly.”
Acknowledge after returning (重新接聽時感謝對方等候。): “Thank you for holding.”	Acknowledge the message (確認已收到訊息或資料。): “Thank you for confirming.” / “Thank you for the details.”
Transfer language is important (電話可轉駁至租戶辦公室。): “Please hold while I put you through to the tenant’s office.”	No transfer language. (WhatsApp 不會「轉駁」, 而是代為聯絡及回覆。) Instead: “I’ll contact the tenant / Facilities team and update you here.”
Take a verbal message (可請對方留言或留下回電號碼。): “Would you like to leave a message or a callback number?”	The message itself becomes a written record. Ask only for missing details. (訊息本身已有文字紀錄, 只需補問欠缺資料。)
Repeat details aloud (口頭覆述資料以核對。): : “Let me repeat that back to you.”	Read back in writing (以文字覆述下一步。): “Just to confirm, you would like the visitor to remain at the CS counter.”
Use fillers to avoid silence (避免電話中長時間沉默。): “One moment, please.” / “Let me check that for you.”	Short gaps are normal. Messages can be sent in clear chunks. (文字訊息之間有短暫空檔很正常。)
Close the call clearly (要有明確電話結尾。): “Thank you for calling. Have a good day.”	Close with the next action (以「下一步」作結, 通常較實用。): “We’ll proceed accordingly.” / “I’ll update you here once I receive a response.”

Security / CS • 10:05 AM

Good morning. This is the CS counter.

Mr David Lee from BrightPath Consulting has registered and is waiting in the lobby. Are you expecting him?

10:05 AM ✓✓

Tenant • 10:06 AM

Yes. He has a 10:15 meeting. Please ask him to wait.

Amy will come down to collect him.

10:06 AM

Security / CS • 10:06 AM

Thank you. Where will Amy meet him — at the CS counter or the main entrance? And should we keep him downstairs for now?

10:06 AM ✓✓

Tenant • 10:07 AM

At the CS counter. Yes, please don't send him up yet.

10:07 AM

Security / CS • 10:07 AM

Just to confirm: Mr Lee will wait at the CS counter, Amy will come down to meet him, and we won't send him upstairs.

I'll let the visitor know and proceed accordingly.

Parking Exit Barrier Problem — Capture Details Before Escalating

情境三：停車場出口閘故障 — 先記錄位置及故障，再緊急匯報

BEGINNER-FRIENDLY WHATSAPP 初階訊息

Tenant • 4:18 PM

Hi, the exit barrier at the East Wing car park won't lift.
Cars are starting to queue. I need Facilities now.

4:18 PM

Security / CS • 4:18 PM

I'm sorry about that. Which level and exit lane is it,
and does the reader respond?

4:18 PM ✓✓

Tenant • 4:19 PM

B2, East Wing, Lane 2. The reader beeps, but the barrier
stays down. Lane 1 is open, but the queue is getting longer.
Please send the Facilities Manager now.

4:19 PM

Security / CS • 4:20 PM

Thank you. Just to confirm, Lane 1 is still working
and cars can use it for now?

4:20 PM ✓✓

Tenant • 4:20 PM

Yes. Lane 1 is open, but several cars are waiting.

4:20 PM

Security / CS • 4:21 PM

Understood. I'll report B2 East Wing, Lane 2; barrier down;
queue developing; Lane 1 open.

I'll contact Facilities now, include your urgent request for
the manager, and update you here when I receive a response.

LISTENING & RESPONSE

Message & Incident Logging Practice

聆聽及記錄: 準確記錄電話及 WhatsApp 資料

Listen once or twice. Record only the information you hear. **Do not guess missing details.** If one key detail is missing, ask one clear clarification question.

Task A — Phone Call / Message Log 電話留言記錄

Caller name	
Company	
Callback number	
Person / tenant office requested	
Reason for calling	
Transfer / message action taken	

Task B — Visitor Confirmation WhatsApp Log 訪客確認訊息記錄

Visitor name + company	
Host / tenant	
Expected? yes / no	
Tenant instruction	
Exact waiting / meeting point	
Read-back / next action	

Task C — Parking Barrier Incident Log 停車場閘機問題記錄

Exact level / wing / lane	
What the barrier is doing	
Reader / equipment detail	
Queue / traffic impact	
Alternative lane available?	
Who to escalate to + follow-up	

Manage the Information, Not Just the Sentence

角色扮演: 先核實資料, 再確認、轉駁、留言或匯報

Student B should not reveal everything at once. Student A asks only for the missing information and gives the next useful action. Use **phone or WhatsApp style** as shown on the card.
