Blocked Fire Route + Hygiene Complaint

情境一：消防通道受阻、垃圾房異味及蟲鼠問題

APOLOGIZE 道歉		ASK 問清楚		EXPLAIN 解釋		REPORT 匯報		FOLLOW UP 跟進	
BEGINNER-FRIENDLY VERSION 初階版本				PROFESSIONAL VERSION 專業版本					
Tenant		Excuse me. There is a serious problem near our office.		Tenant		Excuse me. I'd like to report an urgent environmental and hygiene issue near our office.			
Security / CS		I'm sorry to hear that. What happened?		Security / CS		I'm sorry about the situation. Could you tell me exactly what has happened?			
Tenant		Someone has put boxes and other things in the rear staircase. The fire route is blocked.		Tenant		Items have been left in the rear staircase and corridor, and they are obstructing the fire escape route.			
Security / CS		I understand. Which floor and which staircase is it?		Security / CS		Thank you for letting us know. May I confirm the floor and the exact staircase / corridor location?			
Tenant		18/F, the rear staircase beside the refuse room. The refuse room also smells very bad , and we have seen rats and mosquitoes.		Tenant		It is on 18/F, at the rear staircase beside the refuse room. There is also a strong odour from the refuse room, and we have noticed rats and mosquitoes.			
Security / CS		Thank you. I'll report the blocked route and hygiene problem to management now.		Security / CS		Understood. I'll report both the fire-route obstruction and the hygiene concerns to the management office immediately.			
Tenant		Please send cleaners immediately , check the area more often , and warn the unit responsible.		Tenant		Please arrange cleaning right away, increase frontline patrols , and issue a warning to the unit responsible.			
Security / CS		I understand your concern. I'll pass those requests to management and ask the team to follow up.		Security / CS		I understand your concern. I'll record those requests clearly and escalate them to management for appropriate follow-up under the building procedures.			
Tenant		When will it be cleared?		Tenant		How soon can this be cleared?			
Security / CS		I can't confirm the exact time yet , but I'll report it as urgent and update you when we receive a response.		Security / CS		I'll mark the matter as urgent , but I don't want to promise a clearance time before the responsible team confirms it. We'll update you once we receive their response.

LISTENING & RESPONSE

Complaint Logging Practice

聆聽及記錄: 只記錄你聽到的資料, 不要自行估計。 Listen once or twice. Record the facts, requested action and follow-up language.

Task A — Environment & Hygiene Complaint Log 環境及衛生投訴記錄

Exact location	
What is blocking the route?	
Hygiene problems heard	
Tenant’s requested actions	
Who should receive the report?	
Realistic follow-up promised	

Task B — Air-conditioning + Washroom Log 冷氣及洗手間問題記錄

Floor / suite	
Warm-area location	
Air-conditioning details	
Washroom location / status	
Two issues to report	
Follow-up language — no repair-time promise	

Task C — Urgent Lighting Fault Log 緊急燈光故障記錄

Floor / meeting room	
What is wrong with the lights?	
Why is it urgent?	
Meeting start / time pressure	
Team to contact	
What update will be given?	

PAIR WORK | SITUATION CARDS 1–4

Manage the Complaint, Not Just the Sentence

角色扮演: 使用 Apologize → Ask → Explain → Report → Follow up. Student B 不要一次說出所有資料。

Situation Card 1 — Blocked Fire Route + Hygiene 情境卡一

Student A — Security / CS

- Apologize and acknowledge the concern.
- Ask for floor + exact staircase / corridor.
- Confirm blocked fire route + smell / rats / mosquitoes.
- Report urgently to management.
- Do not promise exact clearance time.

Student B — Tenant / Visitor

- You are a tenant on 18/F.
- Boxes block the rear staircase beside the refuse room.
- Strong smell; rats and mosquitoes seen.
- Demand immediate cleaning, more patrols and a warning to the unit.
- Extra challenge: “This is a fire risk. Why hasn’t anyone dealt with it?”

Tip phrases: I’m sorry about the situation. | May I confirm the exact location? | I’ll report this as urgent and update you once management responds.

Situation Card 2 — Warm Reception + Locked Washroom 情境卡二

Student A — Security / CS

- Ask for floor and exact locations.
- Clarify whether A/C is off or not cooling properly.
- Record washroom location / status separately.
- Report both issues.
- Avoid promising a repair time.

Student B — Tenant / Visitor

- You are on 12/F, Suite 1203.
- Reception is too warm; A/C is running.
- Washroom beside Lift Lobby B is locked / out of service.
- Ask: “Can you fix both within ten minutes?”

Tip phrases: Could you give me the exact location? | I’ll log both issues separately. | I can’t confirm the repair time yet.

Situation Card 3 — Dim Meeting Room Before Client Meeting 情境卡三

Student A — Security / CS

- Confirm floor + meeting room.
- Ask whether all or some lights are affected.
- Acknowledge the client meeting urgency.
- Escalate to management / engineering.
- Give a realistic update promise.

Student B — Tenant / Visitor

- Meeting Room 3, 15/F, Suite 3001
- Only a few lights work; room is very dim.
- Client meeting starts in 20 minutes.
- Say: “I need someone here immediately.”
- Extra challenge: “Can you guarantee it’ll be fixed before they arrive?”

Tip phrases: I understand the urgency. | I’ll report this as an urgent lighting fault. | I’m unable to guarantee the repair time before assessment.

Situation Card 4 — Angry Visitor + Access Rule 情境卡四

Student A — Security / CS

- Stay calm and acknowledge frustration.
- Ask what happened with the access card / registration.
- Explain the security requirement without arguing.
- Contact supervisor / management if needed.
- Tell the visitor what will happen next.

Student B — Tenant / Visitor

- You are a visitor whose temporary access card is not opening the gate.
- Say: “I’ve done all this already. Just let me through.”
- Extra challenge: raise your voice and ask for the manager.

Tip phrases: I understand this is frustrating. | For security reasons, I still need to verify the access issue. | I’ll contact my supervisor and update you on the next step.
